Armstrong enjoyed a lucrative and life-long career in sales, first, as a representative for Brown Shoe Co., and then Lowell Shoe Co. He received numerous Achievement Awards, and owned shoe stores in Ocala, and Englewood, FL. Steeped in strong Midwestern values, Armstrong became the unwavering family center for his daughters when his 18 year marriage to Jacqueline dissolved, and he continued nurturing and loving his family until his death. In the 1990's he brought his grandson to live with him in Englewood, FL. Brandon credits his grandfather with "saving my life," and giving him the ambition and confidence to graduate from the culinary apprenticeship program at The Greenbrier, a five-star resort in West Virginia. Armstrong's life changed dramatically in 1990 when he suffered a dissecting aorta, followed in 1996 by a risky aneurysm repair surgery, which injured his spinal cord leaving him unable to walk. He moved to Ocala in 1998 to live closer to daughter Pam and her husband Tony Escarega (owner of TouchDown Painting), and his brother, Bill (then-owner of Armstrong Homes), and family. Sports were Armstrong's passion both as participant and spectator. A highlight of his post-college sports was when, while he lived in Gainesville, his nephew played football for U of F. As co-owners of the Ocala Speedway, his nephew Scott and Chris gave him the opportunity to work there. He sped around on his power wheelchair involved in many aspects of the Speedway and grew to love and be loved by many people there. His friend, Lou Tremblay (Speedway Manager), honored him with a heartwarming tribute at the Speedway on April 20, and wrote a moving eulogy on their website. His sunny smile and warm heart will be greatly, greatly missed. 2331. FRIEDMAN, DR. DANIEL D. (Obituary No. 2331.), 85  Summerfield - Daniel D. Friedman, MD, and obstetrician and gynecologist who was an early proponent of natural childbirth methods in the U.S., died Monday, June 18, 2007 in a New York hospital, of complications from a massive stroke. He was 85. In a career that spanned more than 60 years, Dr. Friedman practiced medicine at Long Island Jewish Hospital, Long Island Jewish-Hillside Medical Center and St. Joseph's Hospital in New York and had private practices in North Woodmere and Lawrence. He taught at the Health Sciences Center, State University of New York and was an honorary professor at the State University of New York at Stony Brook. After his retirement, he served as a quality-assurance inspector at Long Island's hospitals, working into his late 70's. Long before natural childbirth methods reached the mainstream, and while many of contemporaries scoffed at the idea, Dr. Friedman felt passionately about its benefits. He shot films of drug- and surgery- free deliveries, which he presented in his classes to doctors and students. Proud to be a physician, Dr. Friedman loved his patients and his patients loved him. Born in New York on November 11, 1921, to Aaron and Alice Friedman, he earned a bachelor's degree at the University of Pennsylvania and played on the football team there. He earned his medical degree at the Hahnemann College of Medicine in Philadelphia. During World War II, he served as a lieutenant in the US Navy and held the same rank while serving in the Korean War. A healthy, handsome man, Dr. Friedman enjoyed golf, swimming and sports of all kinds. Loving, affectionate and playful, yet stern and intense, he longed for connection with his children and grandchildren. An appropriate epitaph for his tombstone might read, "He loved his patients and his family." Dr. Friedman owned a series of dogs including a standard poodle, a collie and a Jack Russell terrier. He traveled to warm climates and always tried new things. When his children were young, he introduced them to exotic foods like escargot. His favorite beverage was Dr. Brown's Celery Soda. He drove his stylish, vintage Mercedes until the wheels fell off. Over and over again he told his family, "I love you...You have to forgive and forget." Dr. Friedman's first two marriages ended in divorce. He is survived by his wife Barbara Friedman of Suffolk County and Summerfield; son, Michael Friedman of Hewlett; son and daughter-in-law, Andrew and Loretta Friedman of New York; daughter, Grace Friedman of Wolfeboro, New Hampshire; brother, Lawrence Friedman of Sarasota, Florida; sister, Leona Rutter of San Jose, California; and his grandchildren, Camillo Friedman, Anthony Friedman, Satya Sardonicus, Surya Sardonicus, Anjaneya Sardonicus, Ariel Sardonicus, Jasper Sardonicus and Tao Sardonicus. 409. NOBLE, BOBBY LEE, (Obituary No. 409.) 64 Morriston - Bobby Lee Noble, 64, born and in raised Ocala, FL, and a long time horseman, has crossed the final finish line. Bobby ran wire to wire with the same unique honesty, strength and character he has always shown. Our stable will feel forever empty without him. He will be extremely missed by his wife, Tisa, and their children, Sabrina Noble, Ocala, David Burch, US Navy, Fallon, Nevada, and his wife Brittany, Cassaundra McManus and her husband Michael, Orlando, FL. Bobby's father, Edwin Mayo Noble and mother Dottie Mae, and one of his brothers, Donald, passed away before him and we are sure they are there to greet him in heaven. As were Tisa's parents, Sherman and Marilyn Armstrong, and Don Giggle, Bob's best friend. Bobby is survived by his brother Jimmy Noble and his wife Betty, his sisters Edna Britt Ryals, Hautence Beeler, and Linda McLeod and her husband John, all of Ocala. Bobby has many nieces and nephews, and of course, Lorna, Sabrina's mother and our friend. As was Bobby's desire, he was cared for during his illness at home and passed away surrounded by friends and family. We would like to be sure and give special thanks to Charlotte Mullen, Sabrina's grandmother and long time friend, and Cassaundra who have been by our side nearly everyday, and to all those who were there to support us during this time. Your love and sincere endurance will be forever appreciated. We have no doubt that Bobby has joined his many family and friends that have gone on before him and are residing at God's great race course in heaven, surrounded by all the people and God's creatures that he so loved and cared for, in a place where no race is ever lost. For all of you that know and loved Bobby, it will come as no surprise that he has requested.... actually demanded... that there be no funeral service, memorial, or gathering. He has requested instead that you smile, toast to his life and the special bonds we all share. In loving memory of my husband, Tisa (Mrs. Bobby Lee Noble). 708. GRISsom, SR., JULIAN CLYDE, (Obituary No. 708.) 86 Ocala - Julian C. Grissom, 86, died Thursday, August 30, 2007, at his home. He was born March 7, 1921 in Raleigh, NC. He was preceded in death by his first wife, Mary, son, Clyde and daughter, Bonnie. As a young man during WWII he worked in the Wilmington shipyards building liberty cargo ships as a machinist. After the war he entered the family auto repair business. Later he decided to leave his home in Wilmington to go into business for himself. In accordance with his nature, in 1954 he packed his belongings and his family,, moved to Florida and was determined to make Ocala his new home, never looking back. From his earliest days all who knew him witnessed his tireless work ethic. After moving to Ocala he worked as, among other things, an auctioneer, real estate broker, and investor. All his life this self-educated man had a curiosity that drove him always to be learning new things, whether he was operating his business or working in his workshop. He enjoyed fixing cars, small engines, and any other kind of machinery that needed fixing. Besides his family, learning something new, helping others, and completing a job successfully were among his greatest pleasures. No job was ever put off if it could be done right away. Two of his favorite mottoes were, "Why wait?" and "Always look to the future." When he took time away from his work he loved to invite family and friends to his home for birthday parties, Sunday school gatherings and the annual Grissom Easter egg hunt. He
dearly loved his family and friends and often remarked when sitting around the dinner table that "every day is Thanksgiving." He ran with patience the race that was set before him and ran to obtain the prize. His family and friends will miss him. After the war he entered the family auto repair business. Later he decided to leave his home in Wilmington to go into business for himself. In accordance with his nature, in 1954 he packed his belongings and his family,, moved to Florida and was determined to make Ocala his new home, never looking back. From his earliest days all who knew him witnessed his tireless work ethic. After moving to Ocala he worked as, among other things, an auctioneer, real estate broker, and investor. All his life this self-educated man had a curiosity that drove him always to be learning new things, whether he was operating his business or working in his workshop. He enjoyed fixing cars, small engines, and any other kind of machinery that needed fixing. Besides his family, learning something new, helping others, and completing a job successfully were among his greatest pleasures. No job was ever put off if it could be done right away. Two of his favorite mottoes were, "Why wait?" and "Always look to
the future." When he took time away from his work he loved to invite family and friends to his home for birthday parties, Sunday school gatherings and the annual Grissom Easter egg hunt. He dearly loved his family and friends and often remarked when sitting around the dinner table that "every day is Thanksgiving." He ran with patience the race that was set before him and ran to obtain the prize. His family and friends will miss him. 734. GRISSOM, SR., JULIAN CLYDE, (Obituary No. 734.) 86 Ocala - Julian C. Grissom, 86, died Thursday, August 30, 2007, at his home. He was born March 7, 1921 in Raleigh, NC. He was preceded in death by his first wife, Mary, son, Clyde and daughter, Bonnie. As a young man during WWII he worked in the Wilmington shipyards building liberty cargo ships as a machinist. After the war he entered the family auto repair business. Later he decided to leave his home in Wilmington to go into business for himself. In accordance with his nature, in 1954 he packed his belongings and his family, moved to Florida and was determined to make Ocala his new home, never looking back. From his earliest days all who knew him witnessed his tireless work ethic. After moving to Ocala he worked as, among other things, an auctioneer, real estate broker, and investor. All his life this self-educated man had a curiosity that drove him always to be learning new things, whether he was operating his business or working in his workshop. He enjoyed fixing cars, small engines, and any other kind of machinery that needed fixing. Besides his family, learning something new, helping others, and completing a job successfully were among his greatest pleasures. No job was ever put off if it could be done right away. Two of his favorite mottoes were, "Why wait?" and "Always look to the future." When he took time away from his work he loved to invite family and friends to his home for birthday parties, Sunday school gatherings and the annual Grissom Easter egg hunt. He dearly loved his family and friends and often remarked when sitting around the dinner table that "every day is Thanksgiving." He ran with patience the race that was set before him and ran to obtain the prize. His family and friends will miss him.
