#### SIGMAN, LOUISE WELCH 79

Ocala - Louise Welch Sigman, 79, crossed over on Thursday, June 17, 2010 in Atlanta, Georgia. She changed the world every day of her life. Louise was born in Lake Butler, Florida on October 14, 1930 to Homer Alvin Welch and Ruth Lillie (Richard) Welch. She grew up in Lake Butler and maintained deep roots in the community there throughout her life. After graduation from Union County High School, she attended Columbia Bible College in Columbia, South Carolina in hopes of completing training as a missionary abroad. After receiving a medical diagnosis which necessitated an extended leave of absence from college and which, ultimately, disqualified her from serving in the mission field, Louise refocused her intention to serve others: She returned to school at the University of Florida where she earned a Bachelor of Arts degree in Elementary Education. Throughout her adolescence and early adulthood, Louise ministered to others: Offering counsel, prayer and her loving presence to those in need. She reached out through her powerful faith to numerous female inmates housed in the state prison in Raiford, helping them find a path to peace. In 1956, she was recruited by Alyce D. MacPherson to teach school and to serve as principal at the sdFlorida School for Girls. Thus, she moved to Ocala where, over the next 28 1/2 years, she nurtured the minds and souls of thousands of juvenile offenders. In 1958, she married Charles LaDoyt Sigman. They had one daughter, Caroline Jane Sigman, and one grandson, Charles Winston Garland. Louise and Charles were together for 50 interesting and laughter-filled years before his sudden death in 2008. Louise was an exceptionally active - and proactive - member of the First United Methodist Church. She taught Sunday School, provided alternative "Junior Church" services, led Wednesday Night Bible Studies, served tirelessly in the United Methodist Women's group and dedicated many hours to the United Methodist Youth Foundation. She performed publicly in numerous plays and in three different "one woman acts" of her own creation. Louise was a leader and long-term member of the Alpha Delta Kappa teaching sorority; she served on the Marion County Historical Commission and the Board of the Marion County Museum of History. She was also the principal documentarian and producer of a video history of Union County. Louise received the Exchange Club's Book of Golden Deeds Award in 1995 for her work as a volunteer. Throughout her life, Louise created her own path of service to others. Over the years, she provided long-term shelter in her own home for numerous people who had nowhere else to go. Following her retirement from teaching, she embarked upon a mission to care for the elderly - often serving as a live-in caretaker for people who had no one else to spend time with them and look after their needs. She continued on this course until a medical crisis early in 2006 necessitated hospitalization and continuous nursing home care. Even during her years in the nursing home and her weeks in hospice, Louise's soul shined upon and

uplifted others. Louise's family was a constant source of comfort, delight and entertainment for her, as she was to them. She made life an adventure for her daughter, cousins, nieces and nephews, as well as for many other young people who were blessed to cross her path. She made everyone around her feel special because she actually experienced each person that way: She saw God in everyone, everywhere. Louise is survived by her daughter, Caroline, her grandson, Charles, her daughter-in-law, Katharene Winston Garland; two sisters: Annie Ruth (Welch) Dukes of Lake Butler, Florida and Fairfax, Virginia; and Joan Nimms of Ocala; numerous cousins, nieces and nephews; and a world full of friends. SIGMAN, LOUISE WELCH 79

Ocala - Louise Welch Sigman, 79, crossed over on Thursday, June 17, 2010 in Atlanta, Georgia. She changed the world every day of her life. Louise was born in Lake Butler, Florida on October 14, 1930 to Homer Alvin Welch and Ruth Lillie (Richard) Welch. She grew up in Lake Butler and maintained deep roots in the community there throughout her life. After graduation from Union County High School, she attended Columbia Bible College in Columbia, South Carolina in hopes of completing training as a missionary abroad. After receiving a medical diagnosis which necessitated an extended leave of absence from college and which, ultimately, disqualified her from serving in the mission field, Louise refocused her intention to serve others: She returned to school at the University of Florida where she earned a Bachelor of Arts degree in Elementary Education. Throughout her adolescence and early adulthood, Louise ministered to others: Offering counsel, prayer and her loving presence to those in need. She reached out through her powerful faith to numerous female inmates housed in the state prison in Raiford, helping them find a path to peace. In 1956, she was recruited by Alyce D. MacPherson to teach school and to serve as principal at the Florida School for Girls. Thus, she moved to Ocala where, over the next 28 1/2 years, she nurtured the minds and souls of thousands of juvenile offenders. In 1958, she married Charles LaDoyt Sigman. They had one daughter, Caroline Jane Sigman, and one grandson, Charles Winston Garland. Louise and Charles were together for 50 interesting and laughter-filled years before his sudden death in 2008. Louise was an exceptionally active - and proactive - member of the First United Methodist Church. She taught Sunday School, provided alternative "Junior Church" services, led Wednesday Night Bible Studies, served tirelessly in the United Methodist Women's group and dedicated many hours to the United Methodist Youth Foundation. She performed publicly in numerous plays and in three different "one woman acts" of her own creation. Louise was a leader and long-term member of the Alpha Delta Kappa teaching sorority; she served on the Marion County Historical Commission and the Board of the

Marion County Museum of History. She was also the principal documentarian and producer of a video history of Union County. Louise received the Exchange Club's Book of Golden Deeds Award in 1995 for her work as a volunteer. Throughout her life, Louise created her own path of service to others. Over the years, she provided long-term shelter in her own home for numerous people who had nowhere else to go. Following her retirement from teaching, she embarked upon a mission to care for the elderly - often serving as a live-in caretaker for people who had no one else to spend time with them and look after their needs. She continued on this course until a medical crisis early in 2006 necessitated hospitalization and continuous nursing home care. Even during her years in the nursing home and her weeks in hospice, Louise's soul shined upon and uplifted others. Louise's family was a constant source of comfort, delight and entertainment for her, as she was to them. She made life an adventure for her daughter, cousins, nieces and nephews, as well as for many other young people who were blessed to cross her path. She made everyone around her feel special because she actually experienced each person that way: She saw God in everyone, everywhere. Louise is survived by her daughter, Caroline, her grandson, Charles, her daughter-in-law, Katharene Winston Garland; two sisters: Annie Ruth (Welch) Dukes of Lake Butler, Florida and Fairfax, Virginia; and Joan Nimms of Ocala; numerous cousins, nieces and nephews; and a world full of friends. A memorial service will be held at 2:00 p.m. on Saturday, June 26, 2010 in the sanctuary of the First United Methodist Church, 1126 East Silver Springs Boulevard, Ocala, FL 34470. In lieu of flowers, her family suggests a donation to Heifer International ([www.Heifer.org](http://www.Heifer.org)), which would continue Louise's work of making the world a better place for all. **HAIRSTON, ROBERT POWELL 100**

Ocala - A JOURNEY OF 100 YEARS It is often said that the history of the United States is a "quilt made of many patches." This is illustrative of the life of Robert Powell Hairston whose

sunset was Friday, June 18, 2010, 24 days prior to his "101st" birthday and, the same date on which his sister Elizabeth McDuffy Purnell died in 1987. Robert Hairston's sunrise was a Monday, July 12, 1909. Robert and Elizabeth were born to Dora Mae Poole Lewis of Brooklyn, New York and McDuffy Hairston of Port Chester, New York. From a previous marriage his mother had a daughter Mildred Lewis Gant. The new family lived with Robert's maternal grandfather, known as "Pop" Poole. Poole was of African American and Shinnecock Indian Nation of Long Island, New York heritage. The family moved to Port Chester, New York where Robert's father was employed, until retirement, as building custodian and guard for the Port Chester National Bank. Coming to live with the family was Robert's paternal grandmother, Mary Jane Hairston. Mary Jane was born a slave on the Hairston plantation in Coolemeo Winston Salem, North Carolina. The Hairston's came from Scotland and were the wealthiest plantation owners in all of America. They owned up to 10,000.00 slaves and also traded in slaves. Mary Jane was given to the plantation owner's friend, a Dr. Withers, with whom she bore five children one of which was Robert Powell's father, McDuffy Hairston. After she was freed she worked in a tobacco factory. Robert attended the Port Chester public schools. During the "Great Depression" he worked clearing woods and forests with the Civilian Conservation Corps one of the New Deal programs of Franklin Delano Roosevelt's. Later, he worked for the U.S. Postal Service in Port Chester. During the Depression he experienced unemployment and he and his bride hired on as sleep-in maid, butler and chauffeur. In February 1942, during World. War II, Robert sought employment as a driller/welder at the United States Naval Shipyard in Brooklyn, New York, where he and thousands of others kept our Navy afloat, ultimately contributing to our victory over tyranny. After the war he returned to the U. S. Postal Service, rising to the level of Foreman until his retirement in 1968. In 1932 he met an attractive young woman from Harlem, New York by way of Trinidad, West, Indies, Hilda Ursula Stephen. They were wed July 22, 1933 for 65 years until her passing in 1998. Skiles II and Marjorie Glenna Cofer Skiles. Wes graduated from Englewood High School in Jacksonville with a passion for science. As Wes would say, he then enrolled in the School of Life and pursued a degree in 'Curiology.' Wes was bigger than life and his passions were infectious. He touched so many in his hope to educate about the springs and underground aquifers. When he began exploring caves as a teenager, he pursued the adventure of going where no one had ever been. He began to see the deterioration of Florida's underground world and made it his mission to show the world what was happening through powerful images. This led to the formation of Karst Environmental Services with his partner of twenty-seven years Pete Butt. His extraordinary gift for photography and filmmaking grew into Karst Productions. Through both companies he used his passion to protect Florida's waters. Wes is survived by his wife Terri Skiles, son Nathan Skiles, daughter Tessa Skiles, a brother James Edward Skiles, III, his wife Sharon and their children Jimmy and Jessica, and a sister Shirley Spohrer, her husband George and their daughter Alexandra, Jacklyn Paulson, Cathy and Dean Andersen, Michael and Layla Paulson, friends and business partners Pete Butt and Georgia Shemitz, and all those whose lives he touched. #### SKILES, WESLEY C.

Wesley Cofer Skiles, age 52, of High Springs, FL passed away in Boynton Beach, FL on Wednesday July 21, 2010. Mr. Skiles was born on March 6th 1958 in Jacksonville, Florida to James E. Skiles II and Marjorie Glenna Cofer Skiles. Wes graduated from Englewood High School in Jacksonville with a passion for science. As Wes would say, he then enrolled in the School of Life and pursued a degree in 'Curiology.' Wes was bigger than life and his passions were infectious. He touched so many in his hope to educate about the springs and underground aquifers. When he began exploring caves as a teenager, he pursued the adventure of going where no one had ever been. He began to see the deterioration of Florida's underground world and made it his mission to show the world what was happening through powerful images. This led to the formation of Karst Environmental Services with his partner of twenty-seven years Pete Butt. His extraordinary gift for photography and filmmaking grew into Karst Productions. Through both companies he used his passion to protect Florida's waters. Wes is survived by his wife Terri Skiles, son Nathan Skiles, daughter Tessa Skiles, a brother James Edward Skiles, III, his wife Sharon and their children Jimmy and Jessica, and a sister Shirley Spohrer, her husband George and their daughter Alexandra, Jacklyn Paulson, Cathy and Dean Andersen, Michael and Layla Paulson, friends and business partners Pete Butt and Georgia Shemitz, and all those whose lives he touched. A Memorial Service and Celebration of Wes's life will be held at Ginnie Springs 5000 NE 60th Ave. High Springs, FL 32643 on Wednesday, July 28th. The Memorial Service will begin at 6:00 pm followed by a Celebration of Wes's life. The family requests that in lieu of flowers donations be made in Wes's name to: The Alachua Conservation Trust - [alachuaconservationtrust.org](http://alachuaconservationtrust.org) Milam Funeral and Cremation Services 311 S. #### DRAGOIU, VICTORIA

Ocala - Victoria "Vici" Dragoiu died peacefully on Monday, July 19, 2010 at Chambrel at Pinecastle in the presence of Odyssey and Chambrel caregivers. She was 98 years of age. She and her husband moved to Ocala from Wisconsin in 2004 to be near their niece Dawn Sabol and her husband, Dr. Edward Sabol, during the twilight of their lives. Born with an adventurous spirit, tiny statured Vici moved to Texas and California to practice after graduating nursing school. She learned that the Army needed nurses and in 1942 joined the Army Nurse Corps. While there, she was chosen to attend Air Evac School and made military history when she graduated with one of the first groups of nurses to become Flight Nurses in the Army. Her assignments were to fly to Asiatic Pacific islands to "pick-up" wounded soldiers and deliver/ supervise care to them aboard cargo planes to the US Army Hospital in Hawaii. There were usually 45 patients ambulatory and on stretchers, who Lt. Pawloski and one corpsman cared for and kept stable en-route. Because the program was newly initiated, Vici was transferred to the

US Air Force until the Army officially reclaimed the "Flight Nurse" as it's own. During this time, Lt. Vici was featured in a lengthy article in the 12 Feb 1945 issue of LIFE magazine. One segment details a near plane disaster while returning to Hawaii with a full load of wounded and photos depict her special composure. Although Vici was "afraid to fly", she completed many missions until WWII ended after which she served in Japan during the Korean War and Germany as well. Vici was promoted to Major and assigned as Chief Nurse at Ft. Riley, KS until she retired after 20 plus years of honorable dedicated service to her country. Lt. Vici married a military officer and she and her beloved Ely retired initially to Denver, CO. They enjoyed continued travel throughout the world and celebrated 54 years of marriage. Vici and Ely were known to be welcoming and generous. They loved to have visitors to entertain and serve their gourmet meals on their finest table settings. Unselfish to the core, they were sensitive to family problems and were willing to assist in whatever way possible. One of Vici's "gifts" was her benevolence. Be it material or compassion, support or a prayer. Until her eyesight faded, Vici exercised her talent for needlework. Earlier in life she smocked and sewed dresses for all of her nieces. In later years she learned needlepoint and peht point done with her expected expertise and perfection. Vici Dragoiu (Aunt Vici) will ultimately be remembered for her love of family and friends, not missing birthdays and recording special dates. So many have been inspired by her. her pure unselfishness, the strength of character, the wisdom and that she was a role model for many. Vici "touched" those who met her, simply by being herself A strong willed, gracious and kind lady who maintained her sense of humor, sense of style, her independent nature and class until her final breath- Always thinking of others before herself, she will be remembered for love of giving and her giving of love. In Nov. 2009, Vici was the Guest of Honor at a celebration for Women Veterans where she was proudly attired in her uniform. On her 98<sup>th</sup> birthday in March 2010, a party was held in her honor by her Chambrel family. She again wore her "Dress Blues" and was presented the new Army beret with the Major insignia which she accepted and donned with her usual style and class. It is fitting that Victoria Dragoiu and her husband, Ely, be interred at Arlington National Cemetery as their final resting place. Vici will once again be among "her soldiers". She is survived by her niece, Dawn Sabol and husband Dr. Edward Sabol of Ocala and several other nieces and nephews and 2 sisters-in-law throughout the U.S. She was preceded in death by her parents, Julius and Mary Pawloski, her husband, Ely Dragoiu, 4 sisters, 5 brothers and 2 nephews. #### DRAGOIU, VICTORIA

Ocala - Victoria "Vici" Dragoiu died peacefully on Monday, July 19, 2010 at Chambrel at Pinecastle in the presence of Odyssey and Chambrel caregivers. She was 98 years of age. She and her husband moved to Ocala from Wisconsin in 2004 to be near their niece Dawn Sabol and her husband, Dr. Edward Sabol, during the twilight of their lives. Born with an adventurous spirit, tiny statured Vici moved to Texas and California to practice after graduating nursing school. She learned that the Army needed nurses and in 1942 joined the Army Nurse Corps. While there, she was chosen to attend Air Evac School and made military history when she graduated with one of the first groups of nurses to become Flight Nurses in the Army. Her assignments were to fly to Asiatic Pacific islands to "pick-up" wounded soldiers and deliver/ supervise care to them aboard cargo planes to the US Army Hospital in Hawaii. There were usually 45 patients ambulatory and on stretchers, who Lt. Pawloski and one corpsman cared for and kept stable en-route. Because the program was newly initiated, Vici was transferred to the US Air Force until the Army officially reclaimed the "Flight Nurse" as it's own. During this time, Lt. Vici was featured in a lengthy article in the 12 Feb 1945 issue of LIFE magazine. One segment details a near plane disaster while returning to Hawaii with a full load of wounded and photos depict her special composure. Although Vici was "afraid to fly", she completed many missions until WWII ended after which she served in Japan during the Korean War and Germany as well. Vici was promoted to Major and assigned as Chief Nurse at Ft. Riley, KS until she retired after 20 plus years of honorable dedicated service to her country. Lt. Vici married a military officer and she and her beloved Ely retired initially to Denver, CO. They enjoyed continued travel throughout the world and celebrated 54 years of marriage. Vici and Ely were known to be welcoming and generous. They loved to have visitors to entertain and serve their gourmet meals on their finest table settings. Unselfish to the core, they were sensitive to family problems and were willing to assist in whatever way possible. One of Vici's "gifts" was her benevolence. Be it material or compassion, support or a prayer. Until her eyesight faded, Vici exercised her talent for needlework. Earlier in life she smocked and sewed dresses for all of her nieces. In later years she learned needlepoint and peht point done with her expected expertise and perfection. Vici Dragoiu (Aunt Vici) will ultimately be remembered for her love of family and friends, not missing birthdays and recording special dates. So many have been inspired by her. her pure unselfishness, the strength of character, the wisdom and that she was a role model for many. Vici "touched" those who met her, simply by being herself A strongwilled, gracious and kind lady who maintained her sense of humor, sense of style, her independent nature and class until her final breath- Always thinking of others before herself, she will be remembered for love of giving and her giving of love. In Nov. 2009, Vici was the Guest of Honor at a celebration for Women Veterans where she was proudly attired in her uniform. On her 98<sup>th</sup> birthday in March 2010, a party was held in her honor by her Chambrel family. She again wore her "Dress Blues" and was presented the new Army beret with the Major insignia which she accepted and donned with her usual style and class. It is fitting that Victoria Dragoiu and her husband, Ely, be interred at Arlington National Cemetery as their final resting place. Vici will once again be among "her

soldiers". She is survived by her niece, Dawn Sabol and husband Dr. Edward Sabol of Ocala and several other nieces and nephews and 2 sisters-in-law throughout the U.S. She was preceded in death by her parents, Julius and Mary Pawloski, her husband, Ely Dragoiu, 4 sisters, 5 brothers and 2 nephews. Contributions in her memory may be made to Odyssey Healthcare.

#### **MC MAHON, JAMES P. 87**

Amsterdam, NY - Mr. James P. McMahon, 87, of Amsterdam, NY died peacefully on Sunday, September 19, 2010 at the Edward L. Wilkinson R.H.C.F. surrounded by his family. James, known by most as "Jim", by those close to him as "Sparky" and by his grandchildren as Grandpa or Pop, was born February 1923 to Lillian O'Brien and James McMahon in New York City. Jim spent his childhood there with his sister Madeline and their parents during the Great Depression. His stories of those early years, having to wrap newspapers around their legs under their pants to keep warm, fishing in the East River and the struggles of an Irish immigrant family in that atmosphere will live on in our memories forever. Jim was a decorated U.S. Coast Guard and U.S.

Navy veteran serving just prior to and during WWII. He served as a radio operator during his time in the Navy, thus earning his nickname "Sparky". MERRICK, JOAN, 76

Fort Collins, Colorado - Joan Merrick (nee Fleming), 76, of Fort Collins, Colorado, peacefully departed this life on Monday, October 11. Joan was born on September 2, 1934 in Miami Beach, Florida, where her maternal grandfather served as the first fire chief of that city. The family later transferred to Ocala, where she remained until moving west to Montrose, Colorado. From there, she retired to Fort Collins to be closer to her daughter and grandchildren. She is survived by her daughter, Lisa Pere, and grandchildren, Ethan and Mia Pere, of Fort Collins; her brother, Dr\_ James Fleming and wife Nancy, of Atlanta, and their children Jennifer Bartlett and Stuart Fleming; her sister, Fran Smith, of Ocala and her children Lee, Lorre, and Steven Smith. She is preceded in death by her beloved parents, James and Alma Fleming of Ocala. Joan had many fond memories of her childhood on the Miami coast: spotting a U-boat during World War II; spending time with her brother and sister visiting relatives in Georgia, Kansas, and elsewhere; and visiting her father and grandfather at the fire station. She later worked as a switchboard operator, and gave much comfort and support to her parents, to whom she was devoted. After moving to Montrose, she took on a new role as a full-time mother and homemaker, before opening her heart and arms to a variety of families for whom she served as an in-home childcare provider. Although she had only one child of her own, she found the large family she'd always wanted through the many little ones that she cared for and loved over the years. Joan was a loving mother, grandmother, and friend who was happiest when enjoying her home and family. She loved to bake treats for her grandson and displayed the patience of a saint over multiple games of Candyland with her granddaughter. Her humor, love, wisdom, faith, and chocolate-chip banana bread sustained us all. All who met her liked her, and those who knew her loved her. If she had a flaw, it was in not recognizing the strength, wit, and courage that were so much a part of her. We did not deserve her, but we are grateful that she was ours, even if our time with her was all too short. A graveside service in commemoration of Joan's life will be held on Friday, October 15 at 11:00 a.m., at Highland Memorial Park in Ocala. Any who wish to join her family are welcome. In lieu of flowers, donations in her name may be made to one of her favorite charities: St. Jude Children's Research Hospital , the Alzheimer's Association , or the Florida United Methodist Children's Home. MERRICK, JOAN, 76

Fort Collins, Colorado - Joan Merrick (nee Fleming), 76, of Fort Collins, Colorado, peacefully departed this life on Monday, October 11. Joan was born on September 2, 1934 in Miami Beach, Florida, where her maternal grandfather served as the first fire chief of that city. The family later transferred to Ocala, where she remained until moving west to Montrose, Colorado. From there, she retired to Fort Collins to be closer to her daughter and grandchildren. She is survived by her daughter, Lisa Pere, and grandchildren, Ethan and Mia Pere, of Fort Collins; her brother, Dr\_ James Fleming and wife Nancy, of Atlanta, and their children Jennifer Bartlett and Stuart Fleming; her sister, Fran Smith, of Ocala and her children Lee, Lorre, and Steven Smith. She is preceded in death by her beloved parents, James and Alma Fleming of Ocala. Joan had many fond memories of her childhood on the Miami coast: spotting a U-boat during World War II; spending time with her brother and sister visiting relatives in Georgia, Kansas, and elsewhere; and visiting her father and grandfather at the fire station. She later worked as a switchboard operator, and gave much comfort and support to her parents, to whom she was devoted. After moving to Montrose, she took on a new role as a full-time mother and homemaker, before opening her heart and arms to a variety of families for whom she served as an in-home childcare provider. Although she had only one child of her own, she found the large family she'd always wanted through the many little ones that she cared for and loved over the years. Joan was a loving mother, grandmother, and friend who was happiest when enjoying her home and family. She loved to bake treats for her grandson and displayed the patience of a saint over multiple games of Candyland with her granddaughter. Her humor, love, wisdom, faith, and chocolate-chip banana bread sustained us all. All who met her liked her, and those who knew her loved her. If she had a flaw, it was in not recognizing the strength, wit, and courage that were so much a part

of her. We did not deserve her, but we are grateful that she was ours, even if our time with her was all too short. A graveside service in commemoration of Joan's life will be held on Friday, October 15 at 11:00 a.m., at Highland Memorial Park in Ocala. Any who wish to join her family are welcome. In lieu of flowers, donations in her name may be made to one of her favorite charities: St. Jude Children's Research Hospital , the Alzheimer's Association , or the Florida United Methodist Children's Home. MILLER, SHAYLA CORYN, 3 Ocala - Shayla Coryn Miller lost her battle with cancer on Saturday, November 13, 2010 at the all too young age of three, at Shands Children's Hospital at the University of Florida. She was born in Ocala, December 21, 2006 and was a member of Meadowbrook Church. Her name, Shayla, means "from the fairy place" and to those who knew her she was just that, a beautiful fairy princess that brought love, light and joy wherever she went. The story of her illness inspired many in the community to join together and help her in her fight. We hope that her life and her story will continue to inspire people to raise the awareness of childhood cancer and encourage others to fight as valiantly and live as fiercely as she did. Tribute donations can be made in her honor to Shands Children's Hospital at [www.shandskids.org](http://www.shandskids.org) and to the Children's Cancer Research Fund at [www.childrenscancer.org](http://www.childrenscancer.org). While her time was short, yours is still ongoing. Let her memory inspire you to let your light shine as brightly as hers continues to, forever in the hearts of her loved ones. MILLER, SHAYLA CORYN, 3 Ocala - Shayla Coryn Miller lost her battle with cancer on Saturday, November 13, 2010 at the all too young age of three, at Shands Children's Hospital at the University of Florida. She was born in Ocala, December 21, 2006 and was a member of Meadowbrook Church. Her name, Shayla, means "from the fairy place" and to those who knew her she was just that, a beautiful fairy princess that brought love, light and joy wherever she went. The story of her illness inspired many in the community to join together and help her in her fight. We hope that her life and her story will continue to inspire people to raise the awareness of childhood cancer and encourage others to fight as valiantly and live as fiercely as she did. Tribute donations can be made in her honor to Shands Children's Hospital at [www.shandskids.org](http://www.shandskids.org) and to the Children's Cancer Research Fund at [www.childrenscancer.org](http://www.childrenscancer.org). Shayla is survived by her parents, Misty D. Miller and John V. Miller; maternal grandparents, Connie and Nate Williams of Ocala; paternal grandparents, Jerry Miller and Lavinia Miller of Ocala; maternal great grandparents, Patsey and Ronald Rowe of Leesburg, GA and Garland and Karen Williams of Anthony, FL. In her time here she brought more joy, laughter and love to more people than some do in a hundred years. Three years was not enough time for Shayla to share all the love in her heart. While her time was short, yours is still ongoing. Let her memory inspire you to let your light shine as brightly as hers continues to, forever in the hearts of her loved ones. Visitation will be held at Meadowbrook Church (4741 SW 20th St. Ocala) on Saturday (Nov. 20th) from 10-11AM. Funeral Services will follow at the Church at 11AM. #### KERNS, CHARLOTTE O., 86

Charlotte O. Kerns, 86, a former "war girl" and member of "The Greatest Generation" who, long before commonplace, worked full time while single-handedly raising two boys, died of natural causes on November 22, 2010 at Aventé Skilled Nursing Facility in Ocala. She was a longtime

resident of Alexandria, Virginia. The former Charlotte Lewis heeded the call to serve her country and left her hometown of Meadow Bridge, West Virginia for Washington, D.C. in 1942. She was employed in the Pentagon by the U.S. Weather Service, which provided guidance to the Allied bombardiers flying over Europe. At that time, Mrs. Kerns often recalled later, the Pentagon was so new that its construction was not yet complete. In 1966, with two young boys to rear on her own, she accepted a position with B.F. Saul to manage its new Alexandria, Virginia apartment complex, Seminary Forest. Few women, let alone young mothers, had such positions in that era. She relished her role and received numerous customer service commendations. After successfully battling breast cancer in the late 1970s, she rejoined the civilian federal workforce at the Pentagon. She served as a contract specialist with the U.S. Department of the Army at the time of her retirement in 1999 at age 75. Known for her bright smile, engaging personality, and boundless energy, Mrs. Kerns was a fixture on the Alexandria Dash busses, which she rode anywhere and everywhere after having given up driving in the 1960s. She is preceded in death by her first husband, Robert B. Perrott, as well as her second husband, Robert R. Kerns. Survivors include her two sons, Scott R. Kerns (Susan) of Ocala, and Brian L. Kerns (Angela) of Alexandria, Virginia, and her grandson, Michael S. L. Kerns of Alexandria.
