1704. DALE JR., CHRISTY D. Christy Duncan "Chris" Dale, Jr. was born on March 19, 1928 in Jacksonville, Florida to Bessie Atkinson Dale and C. D. "Duncan" Dale, Sr. He died at his home in Gainesville, Florida on May 24, 2009 from complications of Multiple System Atrophy (Shy-Drager), a Parkinsonism disease, after a lengthy and courageous struggle against this debilitating disease. Christy graduated from Andrew Jackson High School in Jacksonville, he served in the U.S. Army Air Force just after World War II, and he graduated from Florida State University with a Bachelors degree in History in 1950. Christy was an Eagle Scout, a founding member of the FSU chapter of the Sigma Phi Epsilon fraternity, and a retired civil service employee, working for the Social Security Administration for 32 years. He was a longtime, dedicated member of First Baptist Church in Gainesville, Florida, serving numerous

years as a deacon, a member of the building and grounds committee, and in various other positions within the church. Christy was preceded in death by his son, Christy D. "Chip" Dale, III. Christy is survived by his beloved wife of 59 years, Marie, daughters Iwana Carpenter (Doug), and Elaine Dale, grandchildren Paige and Daniel Carpenter, brother David M. Dale, "adopted" sons Joe Savage, Adon Williams, Clint Wynn, and John Hotchkiss, "adopted" daughter Karen Hotchkiss, and many other family members and friends. In 1941, Christy joined Boy Scout Troop 4, sponsored by St. John's Episcopal Church in Jacksonville, Florida. He earned the rank of Eagle Scout with 39 merit badges, Order of the Arrow, Bronze Palm, Silver Palm, Gold Palm, Explorer Frontiersman, and Explorer Ranger, and he was Junior Assistant Scout Master of Troop 4. His Scout Master, George H. West, remained an influential part of his life. Between 1951 and 1956, Christy served as both Scout Master and Explorer Advisor of Troop 108 in Lakeland, Florida. Christy kept in touch with his fellow Eagle Scouts of Troop 4 over the years, continuing through 2008 to meet and fellowship several times a year with these men and their spouses, and with George Henry West and Dorothy West, his lifelong friends and the children of his Scout Master. Christy believed that scouting did more for his life than his college education. As a scout he learned leadership skills and practical skills. He also developed a keen dedication to community service and a strong sense of responsibility to his country and his fellow humans. The foundation Christy gained in scouting awakened within him a desire to work in public service. Originally planning to be a corporate lawyer, he was soon drawn, instead, to working for the Social Security Administration, strongly believing that "as part of the New Deal, the government entered into a social contract with citizens where they could expect a basic level of security in their old age. Social Security was the cornerstone of those reforms." In January 1951 Christy went to work at the Social Security office in Jacksonville. In May of that year he was sent to the Lakeland office as Field Representative. He and his family moved to Gainesville in 1956, where he continued as Field Representative, covering six counties in the surrounding region, including Marion. Christy and his family moved from Gainesville to nearby Micanopy in 1965. He opened the Ocala Social Security Office that year, acting as Branch Manager there for 18 years. While serving in Ocala, Christy became known as Mr. Social Security to business and civic leaders, representatives of other agencies, and the general populace of Marion County. In lieu of flowers, to honor Christy, please make a donation to one of the following organizations: First Baptist Church of Gainesville, Florida, 425 W. 1723. DALE JR., CHRISTY D. Christy Duncan "Chris" Dale, Jr. was born on March 19, 1928 in Jacksonville, Florida to Bessie Atkinson Dale and C. D. "Duncan" Dale, Sr. He died at his home in Gainesville, Florida on May 24, 2009 from complications of Multiple System Atrophy (Shy-Drager), a Parkinsonism disease, after a lengthy and courageous struggle against this debilitating disease. Christy graduated from Andrew Jackson High School in Jacksonville, he served in the U.S. Army Air Force just after World War II, and he graduated from Florida State University with a Bachelors degree in History in 1950. Christy was an Eagle Scout, a founding member of the FSU chapter of the Sigma Phi Epsilon fraternity, and a retired civil service employee, working for the Social Security Administration for 32 years. He was a longtime, dedicated member of First Baptist Church in Gainesville, Florida, serving numerous years as a deacon, a member of the building and grounds committee, and in various other positions within the church. Christy was preceded in death by his son, Christy D. "Chip" Dale, III. Christy is survived by his beloved wife of 59 years, Marie, daughters Iwana Carpenter (Doug), and Elaine Dale, grandchildren Paige and Daniel Carpenter, brother David M. Dale, "adopted" sons Joe Savage, Adon Williams, Clint Wynn, and John Hotchkiss, "adopted" daughter Karen Hotchkiss, and many other family members and friends. In 1941, Christy joined Boy Scout Troop 4, sponsored by St. John's Episcopal Church in Jacksonville, Florida. He earned the rank of Eagle Scout with 39 merit badges, Order of the Arrow, Bronze Palm, Silver Palm, Gold Palm, Explorer Frontiersman, and Explorer Ranger, and he was Junior Assistant Scout Master of Troop 4. His Scout Master, George H. West, remained an influential part of his life. Between 1951 and 1956, Christy served as both Scout Master and Explorer Advisor of Troop 108 in Lakeland, Florida. Christy kept in touch with his fellow Eagle Scouts of Troop 4 over the years, continuing through 2008 to meet and fellowship several times a year with these men and their spouses, and with George Henry West and Dorothy West, his lifelong friends and the children of his Scout Master. Christy believed that scouting did more for his life than his college education. As a scout he learned leadership skills and practical skills. He also developed a keen dedication to community service and a strong sense of responsibility to his country and

his fellow humans. The foundation Christy gained in scouting awakened within him a desire to work in public service. Originally planning to be a corporate lawyer, he was soon drawn, instead, to working for the Social Security Administration, strongly believing that "as part of the New Deal, the government entered into a social contract with citizens where they could expect a basic level of security in their old age. Social Security was the cornerstone of those reforms." In January 1951 Christy went to work at the Social Security office in Jacksonville. In May of that year he was sent to the Lakeland office as Field Representative. He and his family moved to Gainesville in 1956, where he continued as Field Representative, covering six counties in the surrounding region, including Marion. Christy and his family moved from Gainesville to nearby Micanopy in 1965. He opened the Ocala Social Security Office that year, acting as Branch Manager there for 18 years. While serving in Ocala, Christy became known as Mr. Social Security to business and civic leaders, representatives of other agencies, and the general populace of Marion County. In lieu of flowers, to honor Christy, please make a donation to one of the following organizations: First Baptist Church of Gainesville, Florida, 425 W. SABAKHAN, ISHMAEL Ishmael Sabakhan the man responsible for the conversion of Muhammad Ali passes. Long time Williston resident and tireless worker in the cause of spreading his faith passed away quietly in the Haven Hospice Care Center of Chiefland, Florida on July 2, 2009. Ishmael Sabakhan was born December 9, 1924 in Kershaw, SC. Many believe that Malcolm X was responsible for the conversion of Cassius Clay to Muhammad Ali but that was simply not the case. It is well documented on the Internet and other sources that Mr. Sabakhan who was the Minister for the Nation of Islam in Miami during Ali's two campaigns against Sonny Liston in 1964 and 65 who was the man who "fished" Muhammad Ali into what was then known as the "Lost Found Nation of Islam". In 1975 both Muhammad Ali and Ishmael Sabakhan followed Malcolm X's footsteps and converted to orthodox or "Sunni" Islam. They also renounced the group's rhetoric to accept the Islamic creed there was but one God for all of mankind. Mr. Sabakhan completed the religious obligation that all Muslims must undertake at least once in a lifetime the pilgrimage or Hajj to the Holy city of Mecca in November of last year. He was preceded in death by his wife of over forty years Bertha Robinson-Sabakhan. Mr. Sabakhan was also survived by his son Reginald and daughter Rita Sabakan, daughter Julie Robinson, son Hakim Robinson, granddaughters Gina and Shakita Robinson and a host of great-grand children, nieces, nephews, cousins and loving well wishers. Born Lorraine Adeline Ziemann in Chicago on September 2, 1919, she was raised by her grandmother Martha Piper and was largely responsible, even at the tender age of ten, for raising her younger sister, Violet. At the age of nineteen, she received a scholarship to study at the prestigious Art Institute in downtown Chicago but because of financial hardship, she had to forego further education to work as a hatcheck girl at the famous Palmer House. There, she met and married John Vianello, a steelworker. They had four children during the forty-five year marriage. He died in 1984. She never remarried. Lorraine instilled a reverence for education in her children. Two of her children became Principals in Ocala; one became a Professor in Los Angeles, and one became a television executive in New York. partner, Walter Meyer. She is also survived by four grandchildren and their spouses-Sheri and Scott Fanelli and Mark and Shannon Vianello, Tom and Michelle Bard and Jason and Karla Bard. Lorraine had many talents and enjoyed many activities including cooking authentic Italian dishes which she learned from her mother-in-law Eva Vianello, growing roses, square-dancing, and, as a life-long Democrat, engaging in lively political discussions. She was an exceptionally kind, loving, strong, and generous soul. All family and friends alike, considered themselves lucky to have had her in their lives. Christmas will not be the same without Ma. COLLIS, BEVERLY CRAIG, 72 McIntosh - Beverly passed away on the morning of Thursday, August 13, after a brief illness. She was born in the Bronx in 1936, and was raised in Long Island. After high school, Beverly moved to 1950s Manhattan, where she worked for Chase Manhattan Bank and modeled occasionally, and where she met Bob, her husband of 52 years. She was with the government for a time, and served us and thousands of others ice cream at Buxton's. She raised well her four children, with love, tolerance, and grace - William, James, Lee, and Leslie. Beverly traveled fearlessly, moved without effort in many circles, mastered the technology of our day, and impacted countless lives. She was vivacious and idiosyncratic and kept a spotless home. Mom was tough. And funny. She loved fiercely her grandchildren - J.W., Holly Gray, Charli, and Sophia - and all of her other family and her friends. We miss her terribly. GIBSON, ELEANOR DOROTHY Newberry - Mrs. Eleanor (Ellie) Dorothy Gibson, passed away on September 11, 2009. Ellie Gibson has found eternal peace after a long illness. She was born in Rhode Island where she grew up on the water and became an avid sailor. After graduating from Centenary College in Hackettstown, New Jersey, she married Harold Gibson. They decided to leave the cold behind and moved to Miami with their two small children. Ellie worked for National Airlines and then Pan American Airlines in their reservations offices. After retirement, she and her husband settled in North Central Florida to be near their family. Ellie earned her real estate license and had a second successful career as an agent for Watson Realty in Gainesville. Always the perfect hostess in her private life, she cooked, and played the piano and sang to everyone's delight. You could not find a kinder, more loving, more accomplished person. She will be truly missed by her devoted husband of 58 years, Harold W. Gibson, who tenderly cared for her, her daughter Linda Gibson Gilchrist who absolutely adored her, and her son-in-law Bob Gilchrist with whom she had a very loving relationship. She leaves behind a legacy of love and laughter in her grandchildren: grandsons Timothy Gilchrist and Peter Gilchrist, and Timothy's wife Ericka Gilchrist. GIBSON, ELEANOR DOROTHY Newberry - Mrs. Eleanor (Ellie) Dorothy Gibson, passed away on September 11, 2009. Ellie Gibson has found eternal peace after a long illness. She was born in Rhode Island where she grew up on the water and became an avid sailor. After graduating from Centenary College in Hackettstown, New Jersey, she married Harold Gibson. They decided to leave the cold behind and moved to Miami with their two small children. Ellie worked for National Airlines and then Pan American Airlines in their reservations offices. She worked the "complaint desk" and was particularly suited for that position, as she had the perfect personality to sooth any situation. After retirement, she and her husband settled in North Central Florida to be near their family. Ellie earned her real estate license and had a second successful career as an agent for Watson Realty in Gainesville. Always the perfect hostess in her private life, she cooked, and played the piano and sang to everyone's delight. You could not find a kinder, more loving, more accomplished person. She will be truly missed by her devoted husband of 58 years, Harold W. Gibson, who tenderly cared for her, her daughter Linda Gibson Gilchrist who absolutely adored her, and her son-in-law Bob Gilchrist with whom she had a very loving relationship. She leaves behind a legacy of love and laughter in her grandchildren:

grandsons Timothy Gilchrist and Peter Gilchrist, and Timothy's wife Ericka Gilchrist. Ellie joins her son, Hal William Gibson, who preceded her in 1989 on her journey home. To honor her memory, the family requests that those who read this bring peace and joy to your families just as Ellie did for theirs. A Celebration of Ellie's life will be held Tuesday, Sept. 15th at 11:00 a.m. at the Milam Funeral Home Chapel in Newberry. PEACE

The peace that He gives to us
Is filled with Love and Trust.

As the glowing sun rises in the East it fills my heart with Joy and Peace. A daily walk takes me out past a sleepy town as it begins to awake, Down through the meadow to a mist covered little lake. A Mother goose and her goslings enjoy an early morning swim. The birds are singing royal from the highest tree limb. Morning doves cooing to each other, as they feed from the ground. Frisky squirrels chasing another, happy as they run around. Retracing my steps morning smells tickle my nose, Joy and Peace within swells and restores my soul.

Looking back over the years of toil and sweat, that it took to raise a family with no regret.

As the sun begins to sink slowly in the West I'll lay my head down to a peaceful rest.

"Peace I leave with you.

My Peace I give to you"

John 14:27 NKJV

She was preceded in death by her husband, Benjamin Shepherd Dickey, Sr. Juliette called "Judy" by many of her friends and family, enjoyed ceramics, any type of word puzzle and traveling. She was a member of the United Daughters of the Confederacy, the Daughters of the America Revolution, the Botsford Joy Group and the Burke County Travelers. Juliette began writing poetry in her sunset years and she was published in the Ocala Star Banner, National Library of Poetry in On the Dark Side of the Moon and After the Storm, by America at the Millennium, Famous Poets Society, Today's Great Poems, Sparrowgrass Poetry Forum Voices of America, the Florida Revenue Venue and in her own book, Reflections at Sunset. Her poems of nostalgia and inspiration touched the lives of her friends, family and the lucky strangers who stumbled upon her works. The following poem from her book gives a glimpse into her faith and her love of family:

PEACE

The peace that He gives to us
Is filled with Love and Trust.

As the glowing sun rises in the East it fills my heart with Joy and Peace. A daily walk takes me out past a sleepy town as it begins to awake, Down through the meadow to a mist covered little lake. A Mother goose and her goslings enjoy an early morning swim. The birds are singing royal from the highest tree limb. Morning doves cooing to each other, as they feed from the ground. Frisky squirrels chasing another, happy as they run around. Retracing my steps morning smells tickle my nose, Joy and Peace within swells and restores my soul.

Looking back over the years of toil and sweat, that it took to raise a family with no regret.

As the sun begins to sink slowly in the West I'll lay my head down to a peaceful rest.

"Peace I leave with you.

My Peace I give to you"

John 14:27 NKJV

MERRITT, ELSIE A. 85 Ocala - Elsie A. Merritt passed away peacefully on Nov. 1, 2009 at the Kindred Hospital in Ocala, FL, at the age of 85. Elsie was born on Nov. 4, 1923 in Roebling, NJ to Ludwig and Elizabeth Anel. Her parents were German immigrants who entered this country through Ellis Island. Ludwig Anel held various jobs in steel mills and other industries before moving to Georgia and pursuing a career in farming. As a result of this decision Elsie grew up on a farm in Perry, GA. She and her seven siblings helped with farm chores while earning high school diplomas. After graduating, Elsie moved to Atlanta, GA and pursued further business courses, notably accounting related courses. During WWII, Elsie was employed as a bookkeeper by Bell Aircraft in Marietta, GA. This company produced the B-29 Bombers which hammered our enemies into submission. After the war was over Elsie secured a position as bookkeeper for a local printing company. In 1948 she met Robert Merritt who was a veteran of WWII, having served in the Pacific Theater of war. They fell in love and were married soon after. Robert was continuing his education under the GI bill. During this period, the couple were blessed with a beautiful baby who was given the name Michael Alan Merritt. Robert was then working for General Motors Company. Subsequently, he accepted a job in Depew, NY, which is a suburb of Buffalo, NY. After three years in Buffalo, the family of three transferred to Cincinnati, Ohio where they lived contentedly and productively for the next eleven years. During this period they were blessed with two more boys: Glenn Conrad and Robert Wayne. In 1967, the family moved to central New Jersey where they remained for the next thirty years. During this time Elsie was mainly involved with the raising and supervision of the three sons. Robert's various positions during this period required a considerable amount of traveling in the U.S. and Europe. This increased the importance of Elsie's steadfast supervision of the three boys. During this period the boys finished their educations and Michael and Glenn were married. These unions resulted in two lovely granddaughters from the marriage of Michael to his lovely wife Eileen. Their names are Kimberly and Michelle. From the union of Glenn and his lovely wife Effie, Elsie and Robert gained two handsome boys: Glenn and Ryan along with Elise, a beautiful girl. In 1997 the couple retired to Dunnellon, FL where they purchased a house in Rainbow Springs and have lived fairly contentedly for the past eleven years. Elsie enjoyed working in the yard, swimming in our pool and helping out in the church office. Elsie also enjoyed many other amenities associated with this beautiful area. In mid September, Elsie had surgery to correct a perforated duodenal ulcer. After the surgery Elsie's primary organs were unable to bear the load. A viewing will be held on Tuesday, Nov. 3, 2009 from 6-8 p.m. at Robert's Funeral Home, 19939 E. Pennsylvania Ave., Dunnellon, FL. MERRITT, ELSIE A. 85 Ocala - Elsie A. Meritt passed away peacefully on Nov. 1, 2009 at the Kindred Hospital in Ocala, FL, at the age of 85. Elise was born on Nov. 4, 1923 in Roebling, NJ to Ludwig and Elizabeth Andel. Her parents were German immigrants who entered this country through Ellis Island. Ludwig Andel held various jobs in steel mills and other industries before moving to Georgia and pursuing a career in farming. As a result of this decision Elsie grew up on a farm in Perry, GA. She and her seven siblings helped with farm chores while earning high school diplomas. After graduating, Elsie moved to Atlanta, GA and pursued further business

courses, notably accounting related courses. During WWII, Elsie was employed as a bookkeeper by Bell Aircraft in Marietta, GA. This company produced the B-29 Bombers which hammered our enemies into submission. After the war was over Elsie secured a position as bookkeeper for a local printing company. In 1948 she met Robert Merritt who was a veteran of WWII, having served in the Pacific Theater of war. They fell in love and were married soon after. Robert was continuing his education under the GI bill. During this period, the couple were blessed with a beautiful baby who was given the name Michael Alan Merritt. Robert was then working for General Motors Company. Subsequently, he accepted a job in Depew, NY, which is a suburb of Buffalo, NY. After three years in Buffalo, the family of three transferred to Cincinnati, Ohio where they lived contentedly and productively for the next eleven years. During this period they were blessed with two more boys: Glenn Conrad and Robert Wayne. In 1967, the family moved to central New Jersey where they remained for the next thirty years. During this time Elsie was mainly involved with the raising and supervision of the three sons. Robert's various positions during this period required a considerable amount of traveling in the U.S. and Europe. This increased the importance of Elsie's steadfast supervision of the three boys. During this period the boys finished their educations and Michael and Glenn were married. These unions resulted in two lovely granddaughters from the marriage of Michael to his lovely wife Eileen. Their names are Kimberly and Michelle. From the union of Glenn and his lovely wife Effie, Elsie and Robert gained two handsome boys: Glenn and Ryan along with Elise, a beautiful girl. In 1997 the couple retired to Dunnellon, FL where they purchased a house in Rainbow Springs and have lived fairly contentedly for the past eleven years. Elsie enjoyed working in the yard, swimming in our pool and helping out in the church office. Elsie also enjoyed many other amenities associated with this beautiful area. In mid September, Elsie had surgery to correct a perforated duodenal ulcer. After the surgery Elsie's primary organs were unable to bear the load. A viewing will be held on Tuesday, Nov. 3, 2009 from 6-8 p.m. at Robert's Funeral Home, 19939 E. Pennsylvania Ave., Dunnellon, FL. Funeral services will be held at the Peace Lutheran Church on Wednesday, Nov. 4, 2009 at 11:00 a.m. Lunch will be served after the service. McDONNELL, FRANCIS C., 74 Stratham, New Hampshire - Francis C. "Skip" McDonnell 74, of Stratham, New Hampshire and North Miami, Florida prominent builder, "restauranteur", respected thoroughbred racehorse owner and breeder passed away peacefully Monday afternoon, November 23, 2009 at Massachusetts General Hospital, Boston, Massachusetts. Skip was born December 10, 1934 in Medford, Massachusetts the son of the late Francis C. McDonnell and Catherine V. (Sylvia) Saulnier. Educated in the Saugus Schools, he attended Saugus High School. In 1950, while at a local dance, Skip met Barbara Jackson. The two courted for some five years before marrying in 1955. Barbara always knew that Skip would be the man with

whom she would spend her life. The couple welcomed two children in Michael and Barbara some years later and Skip continued to build his business and a sterling reputation. Skip started from humble beginnings forming McDonnell Trucking Company in 1956. As the sole owner with only one truck, he hauled loam and gravel while also plowing for the City of Lynn, Massachusetts during the winter months. McDonnell Construction Company was founded shortly thereafter in 1961 and he soon began building homes in Peabody, Lynn, Saugus, and Lynnfield Massachusetts. Skip was a lifelong member of the Home Builders Association and received awards for his accomplishments in the industry. In the late 1960's and early 1970's he began building apartment complexes in Lynn, Saugus and Danvers Massachusetts. He eventually built Cimarron Apartments in Seabrook, New Hampshire, one of the largest apartment complexes in New Hampshire. Following great success in rental units, Skip soon tried his hand as "hotelier". In 1978 he built, owned and operated the Best Western Seabrook Inn and passionately managed the business until his final days. In addition to his talents as both builder and developer, Skip loved such things as restaurants and racehorses. Both the owner and co-owner of several establishments, Skip's unique style graced such restaurants as: The Dutch Grill in Lynn, Massachusetts, the Candy Lounge in Revere, Massachusetts the Bayside in Nahant, Massachusetts and the Epicurean Restaurant in Exeter, New Hampshire. Skip truly seized the day as he found a way to blend all of his passions into his quotidian. Horseracing was no exception as this was yet another entrepreneurial endeavor that offered him great joy. A renowned and respected thoroughbred racehorse owner with a breeding and training operation in Ocala, Florida, Skip was the proud owner of several stakes winners and raced at nearly all tracks in the United States and Canada. A member of the New England Thoroughbred Racing Association and the Florida Thoroughbred Association, Skip received numerous awards over the years and in 2008, he was honored with the Sam McCracken Memorial Award for Lifetime Achievement. Skip and Barbara have resided in Stratham, New Hampshire since 1972, moving to the Seacoast from Lynnfield, Massachusetts. They wintered in Florida where they enjoyed the warm weather and everything that it entails. Entertaining was always great fun and their annual Super Bowl party was always an absolute must! Yet another source of enjoyment was the allure of the sea. Moored in Miami, Skip loved spending time cruising on Tranquility, his Sea Ray. Parties aboard were not uncommon and always welcomed. Truly his pride and joy, his cruiser even made it into the Fort Lauderdale Christmas Parade. A passionate and dedicated man, Skip tremendously enjoyed his work and wholeheartedly loved his family. Dynamic and resilient, Skip managed his company artfully and cared deeply for his entire family. We will forever miss his energy and passion. Skip is survived by his loving and devoted wife Barbara A. (Jackson) of Stratham, New Hampshire his children Michael C. and his wife Katherine Lichty McDonnell of Stratham, New Hampshire and Barbara Jean (McDonnell) Lanum of Medford, Massachusetts. CAMERON, DONALD EDWARD, 91 Ocala - Mr. Donald Edward Cameron, 91, of Ocala, Florida and formerly a resident of Miami Springs, FL and Dunnellon, FL passed away peacefully on December 27, 2009 at Ocala's Legacy Hospice House. Born on February 25, 1918, in Falconer New York, he was the son of Benjamin Franklin Cameron and C. Burdeena Cameron. He was preceded in death by his parents, his brother Robert Charles Cameron and his grandson Scott Andrew Dossey. In 1924, at the age of 6, Don and his family moved to Miami, Florida. He was a musician and his love for music began early in life. He mastered the guitar, drums, ukulele, keyboard and saw. When Don attended Edison High School, he was a member of the Edison High School marching band. He also played in local bands around the Miami area and played for many dances at the Swedish American Club. After high school he returned to New York and worked as a welder in preparation for the Worlds Fair. There he also played in local New York bands where in 1939 he met beautiful Virginia in Jamestown, NY. He and his bride were married in 1940 and have enjoyed 69 wonderful years of marriage. In 1943, Don and his bride, moved back to the Miami area to a little town called Miami Springs. Pan American World Airways hired him in 1946 where he began his work as a Refrigeration Engineer. The 1960's was a busy decade working for Pan Am. He traveled to several Spanish speaking countries, thereby learning to speak fluent Spanish. His presentation skills were honed by being an active member/officer of Toastmasters organization. He was also a member/officer of the Refrigeration Services Engineering Society (RSES) and was instrumental in spearheading the laws of making sure doors are removed from refrigerators when they are discarded. During 1977, after 31 years of service, he retired from Pan Am and began another career starting his own Air Conditioning business. Five years later he went to work for the maintenance division of the Broward County School System in FT Lauderdale, FL. Through Don's maintenance position in the school system, he was able to transfer to Marion and Citrus county school systems very early in the 1980s and became a Vocational Teacher at Withlacoochee Vocational Technical School. His students appreciated his personalized approach to teaching the vocation of Air Conditioning. For over 28 years he and his wife, Virginia, were residents of Rainbow Lakes Estates in Dunnellon. They are active members, and he sang in the choir of both, Hope Evangelical Lutheran Church of Citrus Springs and (charter members of) Grace Lutheran Church in Miami Springs. Don became an avid horseshoe player "pitching shoes" at many local horseshoe tournaments. For a "hobby" he collected aluminum cans-thousands each month - he did well enough to be considered a small recycling business. His passions were joke telling, a fan of the Braves and Cubs baseball teams, puzzle books, Dairy Queen and recycling all kinds of metals; but most importantly being with his wife Virginia. His philosophy for life was "Live and let Live." He was a thoughtful, honest man who never knew a stranger and could fix anything. Don Cameron will continue to live in the hearts of his wife, Virginia, daughter Barbara Eileen Dossey and husband Charles "Buddy" Dossey, and daughter, Marilyn Jean Cameron. 4 grandsons, (John Thomas Colbert, Timothy Cameron Colbert, Marc Alan Dossey, and John Edward Werner), 3 granddaughter-in-laws (Lisa Catherine Colbert, Kiersten Anne Dossey and Jenny Boughen Colbert), and 8 great-grandchildren (Cameron Nicole Colbert, Kyah Hunter Dossey, Chase Justin Colbert, Kelsey Lynn Colbert, Tyler William Colbert, Caitlyn Blair Dossey, Hannah Leigh Livers, and

CAMERON, DONALD EDWARD, 91 Ocala - Mr. Donald Edward Cameron, 91, of Ocala, Florida and formerly a resident of Miami Springs, FL and Dunnellon, FL passed away peacefully on December 27, 2009 at Ocala's Legacy Hospice House. Born on February 25, 1918, in Falconer New York, he was the son of Benjamin Franklin Cameron and C. Burdeena Cameron. He was preceded in death by his parents, his brother Robert Charles Cameron and his grandson Scott Andrew Dossey. In 1924, at the age of 6, Don and his family moved to Miami, Florida. He was a musician and his love for music began early in life. He mastered the guitar, drums, ukulele, keyboard and saw. When Don attended Edison High School, he was a member of the Edison High School marching band. He also played in local bands around the Miami area and played for many dances at the Swedish American Club. After high school he returned to New York and worked as a welder in preparation for the Worlds Fair. There he also played in local New York bands where in 1939 he met beautiful Virginia in Jamestown, NY. He and his bride were married in 1940 and have enjoyed 69 wonderful years of marriage. In 1943, Don and his bride, moved back to the Miami area to a little town called Miami Springs. Pan American World Airways hired him in 1946 where he began his work as a Refrigeration Engineer. The 1960's was a busy decade working for Pan Am. He traveled to several Spanish speaking countries, thereby learning to speak fluent Spanish. His presentation skills were honed by being an active member/officer of Toastmasters organization. He was also a member/officer of the Refrigeration

Services Engineering Society (RSES) and was instrumental in spearheading the laws of making sure doors are removed from refrigerators when they are discarded. During 1977, after 31 years of service, he retired from Pan Am and began another career starting his own Air Conditioning business. Five years later he went to work for the maintenance division of the Broward County School System in FT Lauderdale, FL. Through Don's maintenance position in the school system, he was able to transfer to Marion and Citrus county school systems very early in the 1980s and became a Vocational Teacher at Withlacoochee Vocational Technical School. His students appreciated his personalized approach to teaching the vocation of Air Conditioning. For over 28 years he and his wife, Virginia, were residents of Rainbow Lakes Estates in Dunnellon. They are active members, and he sang in the choir of both, Hope Evangelical Lutheran Church of Citrus Springs and (charter members of) Grace Lutheran Church in Miami Springs. Don became an avid horseshoe player "pitching shoes" at many local horseshoe tournaments. For a "hobby" he collected aluminum cans-thousands each month - he did well enough to be considered a small recycling business. His passions were joke telling, a fan of the Braves and Cubs baseball teams, puzzle books, Dairy Queen and recycling all kinds of metals; but most importantly being with his wife Virginia. His philosophy for life was "Live and let Live." He was a thoughtful, honest man who never knew a stranger and could fix anything. Don Cameron will continue to live in the hearts of his wife, Virginia, daughter Barbara Eileen Dossey and husband Charles "Buddy" Dossey, and daughter, Marilynn Jean Cameron. 4 grandsons, (John Thomas Colbert, Timothy Cameron Colbert, Marc Alan Dossey, and John Edward Werner), 3 granddaughter-in-laws (Lisa Catherine Colbert, Kiersten Anne Dossey and Jenny Boughen Colbert), and 8 great-grandchildren (Cameron Nicole Colbert, Kyah Hunter Dossey, Chase Justin Colbert, Kelsey Lynn Colbert, Tyler William Colbert, Caitlyn Blair Dossey, Hannah Leigh Livers, and Christopher Glenn Livers).
