FERGUSON, EILEEN BRONNER, 80

Ocala - Eileen Mary Bronner Ferguson has been called by Heaven's Gardener, the Lord who guided her hands to plant plants, grow flowers and pull weeds, and guided her heart to care for her mother, husband and son, and to cherish her time with her grandchildren. Born April 3, 1935, Eileen died on New Year's Day at Munroe Regional Medical Center with her family at her bedside. She was raised in Lake Helen, Florida from the time she was a baby, and attended elementary school there. She and her mother, Theresa Agnes Polster Bronner, moved to DeLand where Eileen graduated from DeLand High School. She received her B.A. degree in Sociology from Stetson University, in 1956 and worked as a Social Worker for the Florida Department of Public Welfare in Sanford, and later in DeLand. She met the love of her life, Paul W. Ferguson, at Stetson and they married on November 2, 1957. Ferguson was a reporter-photographer for the Daytona Beach News Journal while a student at Stetson, and later the Courthouse Reporter for the DeLand Sun News. When he took a job as Marion County Bureau Chief for the Orlando Sentinel in November, 1958, the Fergusons moved to Ocala. Eileen decided not to return to the Welfare Department in Ocala, and worked in the City Clerk's office for the City Of Ocala, until 1962 as the birth of their son neared. She returned to City Hall on an emergency basis several times until 1967 when she founded the family business, Day by Day Inc., which published a television and current affairs magazine, Day by Day in Ocala. This led to the establishment of a commercial printing firm, doing business as Ferguson Printing, which she ran until they retired after 45 years in business. Family, flowers and animals found Eileen Ferguson always busy. She started growing plants as a toddler at her mother's side, a trait she taught their son, Paul W. Ferguson Jr., who also loved spending time working with her in the yard. Eileen often said she could find the Spirit of God in every petal of every bloom of every plant she grew and in every weed she pulled, something she loved doing, exceeded only by growing plants and flowers. She was a member of Daylily Circle of Pioneer Garden Club of Ocala for more than 45 years, and won numerous local regional and state awards displaying her horticultural entries in flower shows. While horticulture was her love, she worked hard at learning the artistic design techniques, and was a nationally accredited Flower Show Judge until her illness forced her to withdraw from active participation. Eileen served six terms as President of Pioneer Garden Club - a record - plus many years in other club offices. She was a member of District Five Flower Show Judges Council, a member of the Florida Federation of Garden Clubs, and the National Garden Clubs. She served as a member and chairman of the Board of Directors of Grace Episcopal Day School, and directed the expansion of the school from grades K-6 to the eighth grade. She and her family were members of Grace until 2008 when they joined with others to establish Christ the King Anglican Church. Her love for animals - especially the strays who showed up at their home - led her to support anyone who also loved animals, and she was a member of the Board of Directors of the Marion County Humane Society and served as Secretary. She was stricken with breast cancer in July, 1983 when the disease attacked three members of the Ferguson family not related by blood within 12 months. She was cancer free for more than 27 years when the disease returned to again attack Eileen in February, 2010, and the

last six years were spent killing the disease, only to have it return. She fought the disease so hard because she wanted to see her beloved grandchildren, Christina Eileen and Spencer William Ferguson graduate from college. Her last appearance in public was to be recognized with her husband at Christ the King on Nov. 1, 2015 to bless their 58th wedding anniversary. Eileen was predeceased by her mother, Theresa Polster Bronner of Ocala, and her father, Robert J. Bronner of Middletown, NY. She is survived by her loving and devoted husband, Paul W. Ferguson Sr., their son, Paul W. Ferguson Jr., her beloved grandchildren, Christina Eileen Ferguson, and Spencer William Ferguson, and a cousin, Trudy Carrozza of Staten Island, NY. A celebration of the life of Eileen Mary Bronner Ferguson will be at 11 a.m., Saturday, January 9, 2016, at Christ The King Anglican Church, 3801 N. US Highway 441, Ocala, FL with the Rev. Donald J. Curran officiating. In appreciation of her love of animals and plants and flowers, contributions may be made to the Marion County Humane Society, or to Christ The King Building Fund, Landscaping Project, 3850 W. Anthony Road, Ocala, FL 34475. A private burial service will be held at Highland Memorial Park, Ocala. Hiers-Baxley Funeral Services is in charge of arrangements.

Helen enjoyed the adventures and socialization with the wives of the other ball players. She had fond memories of those early years of marriage. In the off season, they lived in Dayton, OH and they both worked for the National Cash Register Company (now NCR). After retiring from baseball, they moved to St. Marys, OH, where they both worked for Goodyear; Helen as secretary to a Senior Manager at the facility. Both her children grew up in St. Mary's, graduated from high school, and went on to obtain college and nursing degrees. In 1976, Helen and John retired to Florida, living nearly 40 years in Ocala, and finally for the last year moved to Ft. Myers, where they were close to their daughter and son-in-law. Helen nearly always had a full time job as an executive secretary in addition to being a wife, raising two kids, and keeping a household. Thinking back, her son and daughter recall that every summer, she would can fruit for the winter. And with all that, we can not recall her ever saying 'I'm tired.' She lived a fine, happy and full life. She was the rock, the anchor of her family and will be greatly missed by all who knew and loved her. 'God saw you getting tired and a cure was not to be. He put his arms around you and whispered, come to Me With tearful eyes we watched you and saw you pass away and although we love you dearly we could not make you stay. A golden heart stopped beating, hard hands at rest. God broke our hearts to prove to us He only takes the best.' Per her wishes memorials in her name can be made to St. Marks United Methodist Church, 1839 NE 8th Road, Ocala, Florida 34470. View our online guest book at www.robertsfuneralhomes.com

Although he had traditional employment as a general manager for various manufacturing plants, Larry's main business was his bowling. Larry amassed a total of 18 perfect 300 games over his career, which included winning the 1967 Canadian Open PBA Championship. None of his many accomplishments, however, surpassed the night of January 6, 1997. Larry's son, Kerry, convinced his dad to sign up for his Ocala, Florida league team, and they made history together. After Kerry bowled a perfect 300 in his first game of the night, Larry duplicated the feat in his second game. It was the third ever father-son team to have perfect games in the same night, as sanctioned by the World Bowling Congress, but they were the first to have them in back-to-back games for the same team. Larry has the distinction of maintaining a 200+ average for part of seven decades, beginning in the 1950's. Larry also enjoyed golf, baseball games, college football, and bemoaning the poor Cleveland Browns. He treasured traveling with Pat, especially to the beach and the mountains. His hobbies also included genealogy, computers and winemaking. More than anything else, Larry loved spending time with family. His joyful spirit always lit up any event, he never met a stranger, and he always

beamed with pride when it came to his grandchildren. He is survived by his wife, Pat of Belleview, FL; son, Ken Barr and his wife, Tina, of Atlanta, GA; daughter, Michele Barr of Durham, NC; son, Kerry Barr and his wife, Kandice, of Gainesville, FL; grandchildren, Elena, Anya, Jordan, Jaret, Rachel, Vitaly, and Mitchell Barr; sisters, Jacqueline Barr, of Corry, PA and Judy Sutton, of Boardman, OH; and many nieces and nephews. A funeral mass is to be held at St. Theresa's Catholic Church in Belleview, FL on Friday, February 26, 2016 at 10AM. Please, no flowers due to Lenten Season. AMBROSE, WILLIAM HART, 91

Ocala - William Hart Ambrose was born October 30, 1924, in New York City to Donald and Catherine Ambrose who immigrated from Antigua, British West Indies. His older siblings are Elwood, Oweda, and Conrad. His younger siblings are Wilma and Donald Jr. His mother named him William Hart after a silent film actor who was known for showing honor and integrity. William Ambrose himself was as a man of exceptional honor, integrity, service, and generosity. On Veterans Day 2015, at the age of 91 years, he was honored as a notable attendee at the Police Commissioner's NYPD Military Officers Breakfast at Police Headquarters. He served overseas in the United States Army during World War II 1943 through 1946 and was part of the Battle of the Bulge. He joined the New York City Police Department in 1947 when ethnic barriers tested his graciousness in the face of daily indignities. He joined with other brave police officers who founded the Guardians Association, which became no longer the social NYPD Guardians Club, but, instead, an activist civil rights group of African American police officers. 1960 was a significant year for William Ambrose. He married Gloria Green and became stepfather to her daughters, Alice and Carol-Ann Woodson. In June 1960, he also received his promotion to NYPD Sergeant. February 6, 1961, his beloved firstborn, Lisa, was born, followed by his firstborn son, William Jr. (1962), and his youngest son, Christopher (1964). He loved to watch sports with his sons and their friends. Due to his reputation for honor, integrity, service, and generosity, Sergeant William Ambrose was assigned as the

first supervisor of the newly established 'Neighborhood Police Team' in the 77th Precinct in Brooklyn. This concept established satellite precincts working within the precinct bridging bonds within the community. They not only fought crime within the Bedford Stuyvesant community but also established bonds with families. It was normal for Sgt. Ambrose to leave his Queens home on his days off to handle situations at work when his subordinates were having difficulty. For example, he had an idea to paint the roof tops of apartment buildings so that police helicopters can see the addresses of residents. After a subordinate telephoned him saying the police officer had a personal event to attend, Sgt. Ambrose drove in to Bed Stuy on his day off in coveralls to paint rooftops of community residents. Because of Sergeant Ambrose's legendary selflessness, New York City Mayor John Lindsay decreed that he would forever receive pay for the higher rank of lieutenant. The entire family was excited and honored when Mayor Lindsay chose only Sgt. Ambrose to be interviewed with the mayor of New York City on an entire evening television program regarding neighborhood policing. In 1972, a pilot program allowed female police officer to operate squad cars and do foot patrol for the first time in the history of NYPD. Five of the first 15 female police officers were assigned to Sergeant Ambrose of the 77th Precinct. When interviewed, he referred to them as invaluable and irreplaceable. It follows that all three of his daughters, a granddaughter, and a niece became police officers. Two of them worked in police community relations, diffusing conflict between the police and the community, and one became a police sergeant. He is inspirational. He retired in 1986. During his recent illness, he would frequently awaken and ask if anyone needed anything. He asked if there were enough patrol cars to cover the area. In 1990, he and Gloria moved to Ocala, Florida with his granddaughter, Candice Lee. They were again inspirational as one daughter and three more grandchildren moved to Florida afterwards. They enjoyed themselves in Marion Oaks with family and friends. Examples of his generosity and concern for family are infinite. He returned to New York to live with his son, William Jr., his son's wife, Cindy, and grandchildren, Raven, Noah, and Jordan in Levittown, Long Island in 2014. He is survived by his sons, William Jr. (Cindy), and Christopher Ambrose; by his daughters, Alice White (Fred), and Carol-Ann Rivere; his sister, Wilma Boyd; grandchildren, Jaimi White, Marjorie White, Scott Rivere (Erika), Heather Mitchell (Cameron Lamont), William Ambrose III, Bryna Ambrose, Julian Ambrose, Alexa Ambrose, Raven Ambrose, Noah Ambrose, and Jordan Ambrose. Lloyd loved to go on long walks and would listen to others talk in a way that made them feel they were being listened to and respected. When he chose to talk in his charming drawl what he said was full of love and insight. He made friends easily and was adored by many with his low, soft laugh and calm, patient spirit. He was a former member of Toastmasters, former Boy Scout leader, election judge for Marion County Voter precincts, volunteered for Habitat for Humanity and Munroe Regional Medical Center, and looked forward to the monthly gathering of his hospice group. He served in the national guard. He was accepting, loyal, and loving. He was the first to tell a joke and knew how to draw you into the fun as well. He had a love for life and for his family and friends who were dear to him. He will be deeply missed by his son, Michael Daniel; his daughter-in-law, Denise Daniel; his grandchildren, Chris and Chantelle and his great-grandchildren, Bella, Jace, Amelie, and Henry. In lieu of flowers, donations may be made in Lloyd Daniel's name to Hospice Care of Marion County, 3231 SW 34th Ave., Ocala, FL 34474. Friends and colleagues are welcome to join the immediate family for a 'celebration of life' on Saturday, February 27, 2016 in the Lord's Chapel at Munroe Regional Medical Center from 10:00 AM-12:00 noon located at 1500 SW 1st Avenue, Ocala, FL 34471.

Obituaries Published in the Ocala Star-Banner Newspaper, March 29, 2016**COOK, MARIAM KATIBA, 85**

Mariam Katiba Cook, 85, educator-counselor, died Thursday, March 24, 2016, in her sleep at Hospice's Legacy House following a long, debilitating illness. An Ocala native, she was born December 4, 1930, and raised on her family's farm in the Shady community south of Ocala and lived there most of her life, vigorously defending this primarily agricultural area against unwanted development. Mariam was a founding member of Shasta, a conservation group dedicated to preventing excessive development of the Shady

community and the promotion of scenic roads and trails in Shady as well as other Marion County areas. With others, Mariam lobbied hard to help win approval of the county's scenic road ordinance. She was a member of numerous other conservation-minded organizations, locally as well as nationally, but her main objective was saving the Shady area from over-development. She was so sincere and even-handed in her efforts that she earned the respect of some of her opponents. She served for many years on the Citizens Advisory Committee of the county's Transportation Planning Committee, representing the Shady area. She supported good transportation planning all of her life as long as it included bike and recreational trails and reasonable mass transit opportunities. The only daughter of the late A.J. and Audrey Mulkey Katiba, she was educated in Ocala schools and was a member of the Ocala High School band. She earned a bachelor degree at Stetson University in DeLand where she received the highest academic honors and special commendation for academic achievement. Her studies for a graduate degree at the University of Pennsylvania were interrupted by the death of her father. She later earned a master's degree in education from the University of Florida. Her teaching career began at Ocala High School in the early 1950's with English as her primary subject. She was held in high regard by of her students and retained a close friendship with some of them throughout her life. From Ocala High, she taught English at Central Florida Community College where she also taught English. She moved to Tallahassee in 1968 and joined the state department of vocational rehabilitation, working with Goodwill clients. On returning to Ocala in 1979, she continued to work with vocational rehabilitation clients in Ocala and Bushnell, serving as a supervisor for a period of time before retiring . In retirement, she worked with First Call for Help at United Way for several years. Raised a Baptist, Marion became a member of First Presbyterian Church, with her husband, in the early 1950s. She later would follow her husband as a teacher in the Blakely Sunday School class, retiring only because of her health. Her teaching was marked by extensive preparation from the Bible, various learned commentaries and life experiences. She is survived by her husband of 61 years, David Cook, a historian and retired editor of the Star-Banner, and four daughters, Dana Smith, Maclyn Walker, Lisa Cook and Lori Rath, all of Ocala; seven grandchildren, and seven great grandchildren. A funeral service will be held at 11 a.m. Thursday, March 31, at the First Presbyterian Church, with the Rev. Darren Bess in charge. Funeral arrangements are by Baldwin Brothers.

KENWORTHY, MARILYN J., 73

Anthony -- Marilyn Kenworthy, age 73, passed away on Sunday, March 13, 2016, at Sylvia's Hospice in Ocala, FL. She was born December 19, 1942, in Halifax, Nova Scotia, Canada, the daughter of the late Kenneth W. Robb and Mary Ellen Rosser Robb. Raised in Montreal, Marilyn and her childhood friend, Sherill, decided to move to the States after high school graduation, and came to work in South Florida in 1962. She and Steve married in 1974 and moved from Fort Lauderdale to north central Florida in 1978. Barely two years later, the couple, together with Marilyn's then-teenage son, Ken, founded Dreams Come True Farm in the town of Sparr, FL, where they focused on breeding show and racehorses, as well as foaling and lay-ups. In 1989, they launched Big Sun Equine Products in Ocala. Marilyn served as President of the family-owned and -operated business that meets the needs of horse owners throughout the area. Driven by her love of horses and desire to serve others, Marilyn was a longtime member of the Florida Thoroughbred Fillies, an Ocala-based charity active in the local Thoroughbred horse industry, and at one time served as director of the organization. A devoted animal lover, Marilyn was passionate about helping animals in need, and over the years, she opened her heart and home to many cats and dogs. She loved nature and the Smoky Mountains, in particular, so this became a favorite destination as she and Steve filled their life together with many cherished vacation memories. Marilyn's heart lay close to home. She loved her Savior, her family and her church. Her wise, kind words and heart-felt prayers made a difference in the lives of more people than she probably realized. In her quiet, unassuming way, she reached out, shared her testimony and invited others to find the peace she found in her faith. Whenever she helped someone else -which was often -- her

request was always that they do the same in kind for another person. Despite a hard-fought, four-year battle with lung cancer, Marilyn rarely missed church over that entire time. Her courage and faith served as a living example of what she believed, through both good times and trials. Marilyn was preceded in death by her parents, Kenneth and Mary Robb. She is survived by her beloved husband of 42 years, Stephen (Steve) Kenworthy of Anthony, FL; her son and daughter-in-law, Ken and Karen Aldrich of Ocala, FL; grandchildren, Katelyn and Austin of Ocala, FL; stepson, Stephen S. Kenworthy of Nashville, TN; and lifelong best friend of 62 years, Sherill McMaster of Middleburg, FL. Safely Home I am home in heaven, dear ones: Oh so happy and so bright. There is perfect joy and beauty In this everlasting light. All the pain and grief is over, Every restless tossing passed; I am now at peace forever, Safely home in heaven at last. Did you wonder I so calmly Trod the valley of the shade? Oh, but Jesus' love illumined Every dark and fearful glade. And he came himself to meet me In the way so hard to tread; And with Jesus' arm to lean on, Could I have one doubt or dread? Then you must not grieve so sorely, For I love you dearly still; Try to look beyond death's shadows, Pray to trust our Father's will. There is work still waiting for you, So you must not idly stand; Do it now while life remaineth You shall rest in Jesus' land. When that work is all completed, He will gently call you Home; Oh, the rapture of that meeting, Oh, the joy to see you come. Dad/ Papa... We love you so much... Until we see you again.

IMMEL, MARK STEVEN, 54

Ocala - Survived by his loving wife, Kim; and daughters, Kayla, Kirsten, Kourtlyn and Kennis Immel (Ocala); his parents, Bud and Carole Immel (Ocala), as well as his sisters, Margie Armstrong and Sue Milton (Ocala) - Mark Steven Immel, 54 of Ocala has gone home and into the loving arms of his heavenly father, Jesus Christ. An avid fisherman and golf enthusiast, Mark was a lover of the great outdoors, especially the mountains. Mark was a dedicated financial advisor for over 25 years. He treated his clients as if they were family. The client's interests always came first; in Mark's eyes it did not matter if the client had \$5,000 or \$500,000, he gave the same effort to make sure their goals and objectives were achieved. This passion was evident in all other areas of Mark's life. He

was a friend to many and a constant source of laughter and positivity and uplifting joy. He had a tremendous heart for those in need and was always a helping hand. The greatest example of a father in his daughters eye's, Mark was the Do-it-all dad. Softball coach, ballet recitals, volleyball games, horse shows and musical theater plays. A role-model, protector and a mender of broken hearts, he did it all. Mark and his wife, Kim, are the reason we have great love stories - together since high-school, they were the best of friends, soul mates and God's example of true love. But beyond all of these things, Mark was truly a man after God's own heart. And while we mourn the loss of such an incredible friend, son, brother, father and husband - we know without certain that Mark was welcomed into his heavenly Father's arms with a 'Well done, my good and faithful son.' In lieu of flowers, please send donations to The Women's Pregnancy Center of Ocala. Memorial services will be held at 11 AM Saturday, April 30, 2016, at First Baptist Church, 2801 SE Maricamp Road, Ocala, under the direction of Roberts Funeral Home, 19939 E. DUGAS, ROBERT WILLIAM, 73

Ocala - Robert William Dugas, 73, a good timin' man, passed away May 20, 2016. Born January 26, 1943 in Malden, Massachusetts to Harry William and Catherine Long Dugas. A veteran of the US Navy, he went on to fly for a few Caribbean airlines, mosquito patrol in the Keys, the Saudi royal family and some South Americans. He is survived by his good hearted woman of 32 years, Nan Markt Dugas. His kids also survived him, Michael Robert (Nichole), Christopher William (Tracy), Alexandra Ann Silic (Alexander) and

Shane Markt. Speaking of survival, this Dugas made it through some things: 7.2 ounces of rum per day, a helicopter crash, a plane crash, importing exotic Colombian flora, another plane crash, delivering a baby, a 44 day stay at the Al-Ruwais resort and 16 rounds of chemo. His brother, Jim (who likewise survived) was an accountant while his sister, Joan (another survivor) kindly lent him a hand a few times. He loved playing cards, shooting darts, shooting pool, reading up on cosmology, buying ice cream for his grandkids, making friends, drinking cuba libres and enjoying a party. He considered himself a gardener and good cook. We consider him a bit out of touch. Regardless, Bob, thanks for all the good times, love and endless generosity. We decided to make the services private to save on party expenses. In lieu of flowers, rum or bibles, just donate in his name to either UF Shands Cancer Center Fund or to Hospice of Marion County.

WIGGINS, HEIDEMARIE GROSSMANN, 71

Dunnellon - Heidemarie Grossmann Wiggins left this earth unexpectedly in her home of 49 years in Dunnellon, FL at the age of 71. Heidemarie Grossman was born on January 23, 1945 in Idar-Oberstein, Germany to Hans Grossman and Erika Maria Grossman. After meeting John Henry Wiggins in Germany while he was stationed near her hometown, she moved to the United States and they were married in Conecuh County, AL on June 27, 1964. They moved to Dunnellon in 1967, raised their family and resided there for the remainder of her life. Heidemarie is survived by her husband of 52 years, John H. Wiggins; her three daughters, Angela Wiggins Fleming and her husband, Billy Fleming II, Deborah Wiggins Koch and her husband, William Koch and Erika Maria Wiggins; grandchildren, Billy Fleming III, Johnathon Koch and his wife, Felicia Koch, Connor Fleming, Dillon Wiggins, Paige Fleming and Houston Koch; two great-granddaughters, Cheyenne Koch and Willow Riley, all of Dunnellon, FL; sister, Ursula Jahnel of Germany and many other family members and friends. Well-known to many as 'Oma,' she had a passion for cooking and baking. For many years, after school, her grandchildren would walk with their friends to Oma's house and enjoy her delicious cooking. Oma's cakes always went to the highest bidder at community cake auctions. Much of her happiness in life came from supporting her grandchildren at school and sporting events. For 42 years, she directed the office for the family-owned business, Wiggins Concrete & Masonry. Since their recent retirement, Oma spent her evenings taking walks and greeting many members of the Dunnellon Community with her beloved husband and their dog Bandit. Most afternoons, you could also find Oma in the local gym. Heidemarie Grossman Wiggins impacted many lives and will be missed by all that were lucky enough to have her in their life. A viewing will be held Friday, June 17, 2016 from 5:00 to 8:00 pm at Robert's Funeral Home in Dunnellon. The funeral service is scheduled for Saturday, June 18, 2016 at the First Baptist Church of Dunnellon at 10:00 am, with a burial service to follow at Dunnellon Memorial Gardens. VIANELLO, KENNETH JOHN, 76

Ken Vianello of Ocala, Florida passed away peacefully at his home the morning of June 17, 2016 surrounded by his wife and two children, at the age of 76. He was a loving husband, father and grandfather, a career educator, and a role model for all. Born on March 7, 1940, Ken grew up on the south side of Chicago, Illinois, surrounded by family. His father John Vianello worked in the steel mills and his mother Lorraine Vianello was the homemaker. Growing up, there wasn't much money, but there was always an

abundance of love which he credited for his success in life. He graduated Fenger High School in 1958 and it was there he met the love of his life Diana Dietrich, whom he would marry on December 29, 1962. They remained happily together for 53 years. Ken excelled at football resulting in a scholarship to Western Michigan University. He modeled, appearing on billboards in downtown Chicago and on the back cover of Sports Illustrated. In 1972 he moved his immediate family to Ocala, Florida. Much of his extended family soon followed. As in Chicago, everyone lived on the same street or just a few blocks away. He dedicated his life's work to education where he guided, advised, and prepared others for their life's work. He loved giving advice, and those receiving it were always better off. Throughout his career he served as the principal of Harvard St. George in Chicago, Ft. King Middle, Forest High School, Vanguard High School and West Port High School. Throughout his retirement he spoke fondly of his 18 years with his Vanguard family. Over his 35-year career, he hired hundreds of teachers, graduated tens of thousands of students, and mentored three Superintendents. The impact he leaves on the community and the lives he touched is immeasurable. He is survived by his wife Diana, and two children, Sheri Fanelli, a staffing specialist for Seminole County Public Schools and Mark Vianello, an administrator for Marion County Public Schools. His daughter Sheri is married to Scott Fanelli and has two children, Mitchell and Kathryn. His son Mark is married to Shannon Rowell Vianello and has three children, John, Nicole and Christine. Ken has three siblings, Carol Bard and her husband Roger, Robert Vianello, and David Vianello and his partner Walter Meyer. He is also survived by Louise Rodd, his aunt, two nephews, Tom Bard and his wife Michelle, and Jason Bard and his wife Karla, and two cousins, Diane Vianello Thornhill and Barbara Vianello Pettit. Upon his retirement in 2004 his attention turned to traveling the world with his wife and long-time childhood friends Jeanne and Larry Quinlivan. His favorite city was Rome, Italy. Also, he took family vacations including multiple trips to Disney World, Caribbean cruises, and most recently a beach-house in St. Augustine. We marvel how a child from the south side of Chicago grew up to experience so much. Of course, the reason comes from his strong foundation of family and love. The great man will be missed, but not forgotten. Do not weep that he is gone, celebrate that he was here. His celebration service will be held on Friday, June 24, beginning at 2:00 p.m. at the First United Methodist Church, in the Family Life Center, located at 1126 E. Silver Springs Blvd., in Ocala. In lieu of flowers, donations may be made in memory of Ken Vianello to the Public Education Foundation of Marion County located at the Thelma Parker Center, 1239 NW 4th Street, Ocala, FL 34475. Please visit the website at www.robertsfuneralhomes.com to leave in loving memory messages.

MYRONICK, PETER JAMES 'GRANDPA'

Ocala - Peter James 'Grandpa' Myronick passed away May 23, 2016 to spend eternity with our Lord. He was born on August 28, 1919 in NYC, NY. He was a caring man, always willing to help when needed. He served in the Army during WWII. He and his sweetheart, Eleanor, married in 1943. He was a Scottish Rite Mason 32nd degree and member of the Masonic Grand Lodge in Babylon, NY. He enjoyed serving as secretary for many years for the Sunrise Square Club in Lindenhurst, NY. He was a DAV life member. After his retirement from Sperry Gyroscope in NY he moved to Ocala, FL in 1982 and immediately volunteered through Marion County RSVP. Qualifying to teach the Laubach method, he spent many hours teaching people who needed the help to learn to read and write. He considered it an honor and a joy. Also a joy for him was the time he spent reading stories to Kindergarteners and First Graders. His invisible sidekick, Wilbur the frog, made for additional fun when Wilbur hopped out of Grandpa's shirt pocket and disrupted story time. The boys and girls enthusiastically told Wilbur to return to Grandpa's shirt pocket before he got into big trouble! Grandpa treasured those memories of the time spent with the children. He was a dedicated volunteer. His own passion for reading led him to attempt to read every good mystery novel available; one right after the other. A good afternoon's read was followed by a glorious nap. He thought some of the

best words ever said were 'We're having spaghetti for supper.' He was a man of conviction and loved his family. He is preceded in death by his wife of 64 years, Eleanor and sister, Stella Dell'Orto. He is survived by sister, Anna Levatino; his daughter, Tina McKinley; his son, Gary Myronick; granddaughter, Hattie May; grandson, Henry (Julia) May. Ocala - Eddie Mitchel Franklin of Ocala, Florida passed away at Avow Hospice in Naples, on Wednesday, July 13, 2016 at the age of 81. Eddie was a member of the First Presbyterian Church where he served as an elder. Eddie was born on October 24, 1934 in Tampa. The Franklins moved to Miami when he was in elementary school and it was there he began his life-long love of dance, theater and the arts. Eddie's artistic talents afforded him wonderful adventures including performing at the Fontainebleau Hotel on Miami Beach as a child, TV shows in Puerto Rico, and New York, hundreds of parades, and stages in Tallahassee, Miami and Ocala to name a few. Past President Doak Campbell and director of the band Manley Whitcomb recruited acclaimed Ed Franklin and Dick Puckett from the Miami Jackson High School band in the 1950's to attend FSU. Ed and Dick were two of the best baton twirlers in the country when baton twirling was in its heyday. They were the 'Flying Seminoles' and lead the football team in with acrobatics, elaborate costuming and twirling fire batons. Ed and Dick are featured in the FSU 'coffee table' history books, FSU Historic Photographs, and photographs hanging in the Seminoles' Doak Campbell stadium. While at FSU, Eddie joined the US Army and led a speech clinic for children in Germany. He later returned to FSU and graduated with his Bachelor's degree. After marrying Betsy Reed in Bloomsburg Pennsylvania in 1962, Eddie and Betsy taught in Sarasota and Miami. While Eddie served as the Executive Director of the Grove House art gallery in Coconut Grove, they decided to venture out on their own; so with a financial backer, they moved to Ocala and opened the Franklin Art Center on Fort King Street. The Franklin Art Center was the first of its kind in Ocala, housing a gallery, painting/dance school, pottery studio, and frame shop. Eddie featured Florida artists in shows and taught many Ocalans to paint, throw pots and dance, always encouraging them to fulfil their creativity. Many of these students became close friends with Eddie, Betsy and their girls. After the Art Center closed, Eddie taught English to refugees of the Vietnam War. He opened his home to them, as many were teenagers or children who had lost their parents in the war. Eddie then taught at CFCC for over 20 years and influenced thousands of students with his humor, compassion and understanding of the Humanities and Arts. During that time, Eddie and Betsy commuted to Daytona Beach together and earned their Master's degrees from Nova University. While at CFCC, Eddie directed Zorba the Greek, the Dance Theater Company, choreographed several large musicals, hung shows in the gallery, spontaneously tap danced in the hallways and encouraged his students to live their lives to the fullest- and the fullest includes art, music, and poetry! After his retirement from the classroom in the 90's and after Betsy passed away in 1998, Eddie began painting fulltime in his home

where he perfected his signature technique of ancient encaustic painting using hot colored wax. Eddie performed demonstrations and often showed his work at the Appleton Museum, Webber Center, Brick City, Maine and Paris, France where he was a frequent award winner including Best in Show. On several occasions in the last decade, Eddie was featured in one-man shows, the most significant being at 75 years old, at Lemoyne Center for Visual Arts in Tallahassee where his entire family and lifelong best friends celebrated with him. In the last 20 years, Eddie enjoyed meaningful and deep friendships with special people from the local art community, from the restaurants he frequented and several others that appreciated him and his art. Eddie truly loved his daughters, sons by marriage, his grandchildren and many close friends. Surviving, but missing him terribly, are: Michele Franklin Yovanovich (Rich, Elizabeth and Caroline-Naples); Dana Franklin Riashi (Joe, Reed-Naples); Lauren Franklin Alfonso (Bob, Wesley, Rochester-New Hampshire). Over the years, Eddie's family would enjoy his oral renditions or written cards including Sophie Tucker's Philosophy of Life. This excerpt embodies how he lived, and as he would say, 'eighty-one-derful' years on this earth: '...these people that I've met along the way saved me from many a fall. I've found that the friends I've made are my greatest possessions of all. I'm thankful to God for his blessings and for the opportunity to have lived as I have in a beautiful world that has been so good to me. So live it, and love it, and make the most of it, for LIFE IS A WONDERFUL THING!' A celebration of Eddie's life and art legacy will be made at a later time. The family suggests donations be made to the Webber Gallery, Visual Arts Society at the College of Central Florida. Contact gonzaleg@cf.edu

KNOPE, COLONEL JOHN KING USMC

Following the orders of His Heavenly Father, Colonel John King Knope filed his final flight plan to pass peacefully from the University of Virginia Medical Center in Charlottesville, Virginia. After loosing a protracted battle with Parkinson's disease he was welcomed to his heavenly home to join his parents, and three sons on July 3, 2016 at the age of 86. King was born January 24, 1930 to John W. and Rose K. Knope in East Chicago, Indiana. He subsequently moved to Ocala, Florida where he attended Blessed Trinity Academy and Saint Leo Prep School in Saint Leo, Florida, graduating with the class of 1948. Entering the University of Florida that fall, he studied engineering for three years, before his passion to fly high-performance aircraft persuaded him to enroll in the Naval Air Cadet program in Pensacola, Florida directly following graduation. He received his wings of gold in 1954 and was commissioned a 2nd Lieutenant in the United

States Marine Corps. He then embarked on a career objective to fly every type of aircraft the Marines Corps possessed, which he accomplished. As a C-130 pilot and squadron commander, he saw extensive service in Vietnam during several tours, winning numerous decorations, including several air medals: the Presidential Unit Citation, the Combat Action Medal, the Vietnam Meritorious Gallantry Cross, and two Distinguish Flying Crosses. One of the Distinguish Flying crosses was awarded for actions performed during the siege of the Khe Sanh, where a marine regiment was isolated and completely surrounded by North Vietnamese Forces. The only means of supplying the beleaguered marines and removing the wounded was by air, using a rough dirt air strip under continuous enemy fire. Colonel Knope retired from the U.S. Marine Corps in 1978, after 27 years of service. He continued to fly, pursuing his love of flying, by joining several different contract air carriers; flying medical, food, and clothing supplies into central Africa under the auspices of UNICEF and other relief agencies. After accumulating in excess of 24,000 hours of flying time, King retired from flying and became the owner of Phoenix Travel Agency in Ocala. His love for his church and other people led him to befriend and give to many in need. He was a life member of the Elks Club and the Knights of Columbus. He continued to live out the role of the Good Samaritan until Parkinson's permanently grounded him. King lived his final six years in the loving care of his daughter, Kim in Lexington, Virginia. He was preceded in death by three loving sons: Michael, Craig, and Paul Knope. He is survived by his daughter Susan Kimberly Silvea and husband, Eric of Lexington, Virginia; two adored granddaughters, Ashley Wykle and husband Jesse of Virginia Beach, Virginia and Allison Powers of Ocala, Florida; a precocious great grandson, August Wykle; his sister Rosemary K. Trippe and husband, Sam of Easton, Maryland; their five children and nine grandchildren. A Funeral Liturgy will be celebrated Wednesday, August 10, 2016 at 12:00 noon at Blessed Trinity Catholic Church in Ocala, Florida. Interment will take place at a later date at Ascension Cemetery in Lake Forest, California. In lieu of flowers, the family requests contributions be made in King's name to Blessed Trinity Catholic Church or your favorite charity. Published in Ocala Star-Banner from Aug. 7 to Aug. 8, 2016

WADDINGTON, LOTTIE SUMNER, 92

Summerfield - Lottie Sumner Waddington died August 9, 2016 at Hospice of Marion County in Summerfield, Florida, with her loving family at her bedside. Lottie was born September 15, 1923 in Mathis, Texas. She attended Southwestern University in Brownsville, Texas where she majored in Business, sang in the college chorus, served as president of the Independents and was named in Who's Who of American Colleges. In the summer of 1943, the Navy sent their new V-12 unit recruits to Southwestern for summer classes, which caused a dramatic increase in the number of coeds who decided to attend summer school. It was during this summer that Lottie met, and six months later married, a sailor from Florida, William B. 'Bill' Sumner. After Bill's service in WWII ended, the couple moved to Ocala in 1946 where they established A-2-Z Pest Control, a business they owned and operated for more than 40 years. Her hospitality and outgoing personality led her to start a monthly women's book club that continues to meet after more than 50 years. She and Bill also organized a couples' supper club whose 52 original members have gathered monthly throughout the past five decades. Central to her life and her family was the homestead she and Bill built on Little Lake Weir where they raised their children and hosted their grandchildren. Countless parties, holidays, Sunday suppers and family celebrations were enjoyed there and many memories made. Lottie loved dancing, socializing, cooking and entertaining and was a wonderful friend to many. Her humor, optimism, perseverance and vibrancy were greatly appreciated and will be deeply missed. Lottie was predeceased by her son, Billy in 1953; her husband, Bill Sumner in 1987; and her second husband, Bill Waddington in 2013. She is survived by three sons, Don Sumner (SukHui) of Dubai, Scott Sumner (Kathy) of Ocala, Mark Sumner, overseas; two daughters, Linda Weinberg (Tom) of Cocoa Beach, and Laura Truax (Terry) of Chicago; 13 grandchildren and four great grandchildren. The family will be greeting friends and relatives at a visitation at Hiers-Baxley Funeral Services in Ocala on

MEAD, JAMES GORDON (JIM)

Mount Dora - James Gordon Mead died in Mount Dora, FL on September 10, 2016, following a brief period of declining health. Jim was born in Beacon, NY in 1927 in the front bedroom of the family home that still stands on North Avenue. He was the son of James Van Deusen Mead and Florence Rogers Mead, both sides of the family having deep roots in the mid-Hudson valley. Earlier generations of the Mead family operated a brickyard near Chelsea and a farm that became part of the property now used by Castle Point VA hospital. Jim graduated from Beacon High School, where he played on the basketball team. He turned 18 in June of 1945 and enlisted in the navy. Empty chairs were left for him and another young man who missed their high school graduation for basic training. He served on a destroyer during the occupation of Japan immediately following the end of the war. After his discharge in 1946, like many men of his generation he took advantage of the GI bill to further his education. Jim attended the NY State Teacher's College at Oneonta where he met the love of his life, Barbara Seidel from Troy, NY. After receiving his degree, he began working for the Wappingers Central School District in 1951, and married Barbara in 1953. They were able to purchase land on Michael Drive in the town of Wappingers Falls, located on a hill with sweeping views up the Hudson valley. After saving up a down payment to build a house, the bank turned down their loan request because they were both teachers. So they took their money, loaded the car and spent two months driving across the country during the summer of 1955, beginning a lifetime love of travel in the U.S. In 1957, with the help of family, friends, and his pregnant wife, Jim built his own house where they would live until 1985. Jim started out teaching sixth grade social studies, English and math, but taught seventh and eighth grade social studies for most of his career. When he began in 1951, the entire Wappingers K-12 school system was housed in a single building. When he retired in 1984, that same building was one of two schools in the system for grades seven and eight, just one of the many changes that took place during his tenure. For much of his career, he taught at Van Wyck Junior High School. Jim retired from teaching in 1984, and he and Barbara moved to central Florida in 1985. Jim had a life-long passion for golf, which he continued to play well into his 80's. He also continued his woodworking, making many items for their homes and also taking up wood carving. Jim and Barbara continued to

travel, including several cruises to Alaska. Jim is survived by his wife of 63 years, Barbara Seidel Mead. Other survivors are his son, James Steven Mead (Ruth) of Apex, NC; his sister, Jane Cooper of Fishkill, NY; brother and sister in law Ray and Dee Seidel of Ballston Spa, NY; and seven nephews and one niece. He was predeceased by his sister, Denise Arnold, and brothers-in law, Claude Arnold and Dale Cooper. Arrangements have been entrusted to Steverson, Hamlin & Hilbish Funerals and Cremations, 226 E. Burleigh Blvd., Tavares, FL 32778, (352)343-4444. Online condolences may be left on the Tribute Wall at www.steversonhamlinhilbish.com
